Faith Gwen McLane was reported missing on 11/20/2008, her family had not heard from her in several months preceding the report being filed. The last time that family had any contact with Faith was at 700 North Murray Ave. at the Carolina Inn in the company of a white male between the ages of 40 to 45 with red hair and blue eyes. The family was told that this male person was a long distance truck driver. Family members have advised detectives that Faith sometimes leaves for long periods of time but has not been gone for this long with out making contact with family. Faith may have a problem with illegal narcotics and has been entered into NCIC (National Crime Reporting Center) as missing and endangered due to the possibility of narcotic use. Detectives with The Anderson City Police Department are requesting anyone with information to the welfare or location of Faith Gwen McLane to call the Police Department at 864-260-4444. I have attached a copy of the report along with a photo to assist with obtaining information to locate Faith.
