

Reserve Officer Unit

The City of Anderson Police Reserve Officer Program is comprised of community members, such as yourself, who wish to volunteer as a Police Officer. These officers supplement the full-time officers in a variety of duties throughout the Department including Crime Stoppers, Paramedic support, Arson Investigator, and serve on the SWAT team. The team participates in the South Carolina Law Enforcement Network in the Tenth Judicial Circuit by assisting in the Patrol's aggressive checkpoints throughout the year. The major events each year include the South Carolina Department of Public Safety's Sober or Slammer Campaign against Drunk Driving. The reserve officers patrol in vehicles, on foot patrols, or on bicycle patrol. Reserve Officers receive skilled training at the Police Department and also in partnership with Tri-County Technical College for certification. The Team is also responsible for supplementing and ensuring the safety of all in major events such as road races, parades, recreation and civic center events. Most Reserve Officers work with officers, but others can qualify to patrol on their own. This program is ideal for individuals who have an established career and do not wish to make a full transition to full-time Police Officer. Reserve Officers can enjoy the best of both worlds, and maintain their chosen career while helping to police within a progressive police department.

If you are interested in becoming a reserve officer with the City of Anderson contact Lt. Allen Hammond, Reserve Unit Coordinator at 864-231-1145 or ahammond@cityofandersonsc.com
