In addition to these locations the APD SWAT Team also participates in a comprehensive security program with the Oconee Nuclear Plant, and has entered into MOU's with several of the smaller surrounding municipal agencies. Currently the APD SWAT Team responds to approximately 24 incidents a year, with the bulk of these being high risk warrant service. APD also has a five (5) person Crisis Negotiation Team, and a fully operational Explosive Ordinance Disposal Team that can respond with SWAT on an as needed basis.
