

Anderson City Police Department VIPS Program

Volunteers in Police Service

Mission Statement:

To develop and provide a volunteer program as part of the Anderson City Police Department for those citizens that have an interest in assisting the department through their time and effort. To assist the Department in achieving a relationship with our community that enhances the service of the police officers in the opinion of the city's citizens. To supplement the services of the Department and its officers, so that the knowledge and training of these officers may be utilized more directly for the aid and comfort of the citizens. And in return for their services the volunteer receives the satisfaction and pride in given to the Police Department and the community they serve.

If you are interested in the opportunity to be a part of the Anderson City Police Department's Volunteer Program, call to express your desire and request information about the program.
