The policy and procedure system of the City of Anderson Police Department (also referred to as "General Orders") is for internal use only and does not enlarge upon an officer's civil or criminal liability in any way. It should not be construed as the creation of a higher standard of safety or care in an evidentiary sense, with respect to third party claims. Violations of General Orders, if proven, can only form the basis of a complaint by this department, and then, only in a non-judicial administrative setting.
