

The City of Anderson Police Department

Mission Statement

The mission of the Anderson City Police Department is to serve the public, protect the innocent, and enforce city, state, and federal statutes within the city limits of Anderson, South Carolina. This is accomplished through a comprehensive Total Quality Management process which emphasizes a team approach geared toward the protection of life, liberty, and property, the preservation of peace, and the prevention of crime. Each operational area will work together in a responsible and professional manner in order to promote an environment in which all citizens will be able to live peacefully, work diligently, enjoy recreational activities, and be safe from threat of harm.

Fiscal Year 2010 Call for Service Summary¹

1. During Fiscal Year 2010 (July 1, 2009 – June 30, 2010)² the City of Anderson Police Department handled 68,380 calls-for-service (CFS), down 1.5% from 69,389 in Fiscal Year 2009.
 - a. Citizen-Generated CFS were 22,844 in FY10 vs. 26,334 in FY09 (-13.3%)
 - b. Officer-Generated CFS were 45,536 in FY10 vs. 43,055 in FY09 (+5.8%).
2. The average number of calls per month was 5,698.33 down 1.5% from 5,782.42 in FY09.
3. The average number of calls per day was 187.34 vs. 190.11 in FY09.
4. Officers investigated or were dispatched to “suspicious persons” 3,334 times, down 13.8% from 3,868 in FY09.
5. Officers were dispatched to 1,187 civil disputes or civil disturbances, down 65 (-5.2%) from 1,252 in FY09.
6. The department was dispatched to 2,049 traffic crashes, down 55 (-2.6%) from 2,104 in FY 2009.
 - a. Accidents were 1,805, down 50 (-2.7%) from 1,855, in FY09.
 - b. Hit & Runs were 244, down 5 (-2.0%) from 249 in FY09.
7. Total traffic stops were 13,098, up 6.5% from 12,298 in FY09.
 - a. Actual traffic stops were 13,098 up 800 (+6.5%) from 12,298 in FY09.
 - b. Suspicious vehicles were investigated 1,428 times, down 467 (-2.5%) from 1,895 in FY09.
 - c. In addition to the above figures, in FY10, officers made or attempted 464 stops of vehicles suspected of intoxicated driving and assisted motorists 594 times. The FY09 figures were 511 and 633 respectively.
8. For additional statistics see our website at Andersonpd.com.

¹ Unless otherwise noted, call-for-service analysis is based upon Central Dispatch CAD data.

² The yearly information listed in this report will be based upon the fiscal year except as otherwise noted. The Fiscal Year ends June 30. FY10 is from July 1, 2009 – June 30, 2010.

I. City of Anderson Police Department Overview

The City of Anderson Police Department’s jurisdiction serves approximately 27,144 city residents³ within an area that is approximately 15.1 square miles and contains an estimated 203 miles of linear roadway on 520 streets and roads. As of June 30, 2010 the department consisted of 95 Sworn Police Officer slots – including two sworn personnel who were assigned to the detention center - and 52 slots for support personnel.⁴ Of these 147 personnel slots, 135 were full time and 12 were part time. (These figures do not include the reserve force.) The police department’s total contribution to the city in cash and in-kind support for FY10 was \$5,271,855, up \$383,151 (+7.8%) from \$4,888,704 in FY09.⁵

The \$5,271,855 consisted of a “hard cash” (budget offsetting) contribution by the department of \$3,007,676 and an in-kind cash, equipment & services contribution valued at \$2,264,179. The *department-generated* portion of the “hard cash” contribution was \$2,033,152. Grant awards and related programs contributed an additional \$961,687. Extra-duty work totaling \$12,837 was also passed through the city, offsetting the overall budget by that amount. For more information concerning the cash and in-kind contributions, please refer to the appendix.

During FY10, personnel of the City of Anderson Police Department handled 68,380 calls-for-service, documented 7,090 incidents⁶ on 6,067 incident reports, responded to 2,049 traffic crashes (1,805 wrecks and 244 hit & runs), made 2,974⁷ criminal charges, wrote 14 parking tickets⁸ and issued 9,372 traffic citations⁹.

FY10’s 2,974 criminal charges were filed against 1,616 defendants, roughly 1.84 per perpetrator (a.k.a. “defendant”). The 9,372 traffic charges were levied against 7,377 violators, roughly 1.27 citations per violator. The following table depicts the charges, by type, and the number of defendants by fiscal year since FY04.¹⁰

Charges by APD Personnel	Criminal			Traffic			Total		
	Charges	Def	Avg/Def	Charges	Def	Avg/Def	Charges	Def	Avg/Def
Fiscal Year 2010	2,974	1616	1.84	9,372	7,377	1.27	12,346	8,614	1.43
Fiscal Year 2009	2,813	1,588	1.77	8,648	6,461	1.34	11,461	7,666	1.50
Fiscal Year 2008	2,993	1,672	1.79	10,392	7,437	1.40	13,385	8,598	1.56
Fiscal Year 2007	2,410	1,353	1.78	7,133	5,236	1.36	9,543	6,269	1.52
Fiscal Year 2006	2,748	1,486	1.85	6,654	4,667	1.43	9,402	5,793	1.62
Fiscal Year 2005	2,085	1,224	1.70	6,408	4,463	1.44	8,493	5,347	1.59
Fiscal Year 2004	2,006	1,140	1.76	9,053	6,202	1.46	11,059	7,036	1.57

In fiscal year 2010, compared to fiscal year 2009, calls-for-service decreased 1.5% from 69,389, documented incidents (as federally classified) decreased by 329 (-4.4%) from 7,419, written incident reports decreased by 289 (-4.5%) from 6,356, dispatched traffic crashes decreased by 55 (-2.6%) from 2,104, criminal charges that were filed by department personnel increased 161 (+5.7%) from 2,813, parking tickets issued by departmental personnel decreased 61 (-81.34%)

³ Crime in the United States 2009. United States Department of Justice (FBI). Table 6.

⁴ There were actually 99 sworn slots in June 2010, but 3 were required frozen for FY10. Four slots were downsized as of June 2010 leaving 95 remaining.

⁵ Some financial figures referenced in this report may be un-audited.

⁶ Federal Classification Occurrences reported a maximum of 1x per incident report.

⁷ Includes all criminal charges filed by the City of Anderson Police Department personnel in both City Court and General Sessions Court. Excludes charges filed by non-APD persons or entities. (e.g., City Hall, 2; Individuals or Businesses, 269; and Judicial Division, 147.)

⁸ Excludes 637 written by City Hall personnel.

⁹ Figure for traffic citations excludes 1 written by City Hall personnel.

¹⁰ Data is derived from the City of Anderson Municipal Court “JEMS” Data Base.

from 451 and traffic citations increased 724 (+8.4%) from 8,648. With respect to parking tickets, it should be noted that during FY09, the parking management operations were transferred from the police department to City Hall. In FY10 City Hall personnel issued 637 parking citations bringing the total for all parking citations issued by personnel of the City of Anderson, Incorporated to 651.

Included within the total number of calls-for-service are specialized teams - including the bomb squad – that were activated a number of times to address potentially dangerous conditions. During FY10 the bomb squad was activated 23 times, compared to 26 in FY09, 37 in FY08, 13 in FY07 and 27 in FY06. The team addressed various threatening situations involving actual, reported or potential threats from explosive devices and/or potentially explosive devices.¹¹

The total expense for operating the police department for fiscal year 2010 was \$7,599,355.83 or approximately 76.7 cents per day per city resident. Subtracting the hard cash contribution (\$3,007,676) from the total expense yields a net cost to taxpayers of \$4,591,679.83 or 46.3 cents per city resident per day. For each \$1 of net cost, the police department provided an additional 49.3 cents of in-kind cash, equipment, and services.¹² For additional information, please see the appendix.

General Revenue and Personnel

NEW RECORD: Net Income (“hard-cash”) received in FY 2010 was \$3,007,676. Major revenue-producing areas of the City of Anderson Police Department are defined as *Department-generated* (in-house) and *Grant-generated* sources. Major sources of department-generated in-house revenue sources are the Federal Inmate Housing Program, Detention Center Phone Fees, Net Criminal Fines, Net Traffic Fines, Towing (and auction) Fees and Forfeited Narcotics Funds.¹³ Fiscal year 2010 set a new record for net revenue (budget offsetting money) received by the City of Anderson Police Department surpassing the previous record of \$2,804,861 set in FY04. Compared to Fiscal Year 2009, Fiscal Year 2010 total net revenue from all sources increased by \$363,754 (+13.76%).

The here-to-fore two major sources of revenue, the federal jail and budget offsetting grant-revenue, both experienced substantial increases in revenue in FY10 compared to FY09. The federal jail booked \$1,164,925 in receipts, an increase of \$120,827 over FY09 and only \$14,588 off from its all-time record set in FY05.

The department received \$282,075 more (+41.5%) in grant and grant-related funding than in FY09. The \$961,687 in grant and grant-related budget offsetting revenue received for FY10 set a new record, outpacing the previous record of \$754,999 set in FY05 by some 206,688. Fiscal year 2010’s grant funding included \$337,831 from the Federal Stimulus package which was targeted for law enforcement. Based upon approximately \$3 billion in nationwide law enforcement stimulus funding for a population of roughly 308 million people, the average would have been approximately \$9.74 per person in a jurisdiction. However, the city of Anderson with a population of 27,144, received approximately \$12.45 per resident, a 27.8% premium compared to the national average with respect to stimulus dollars.

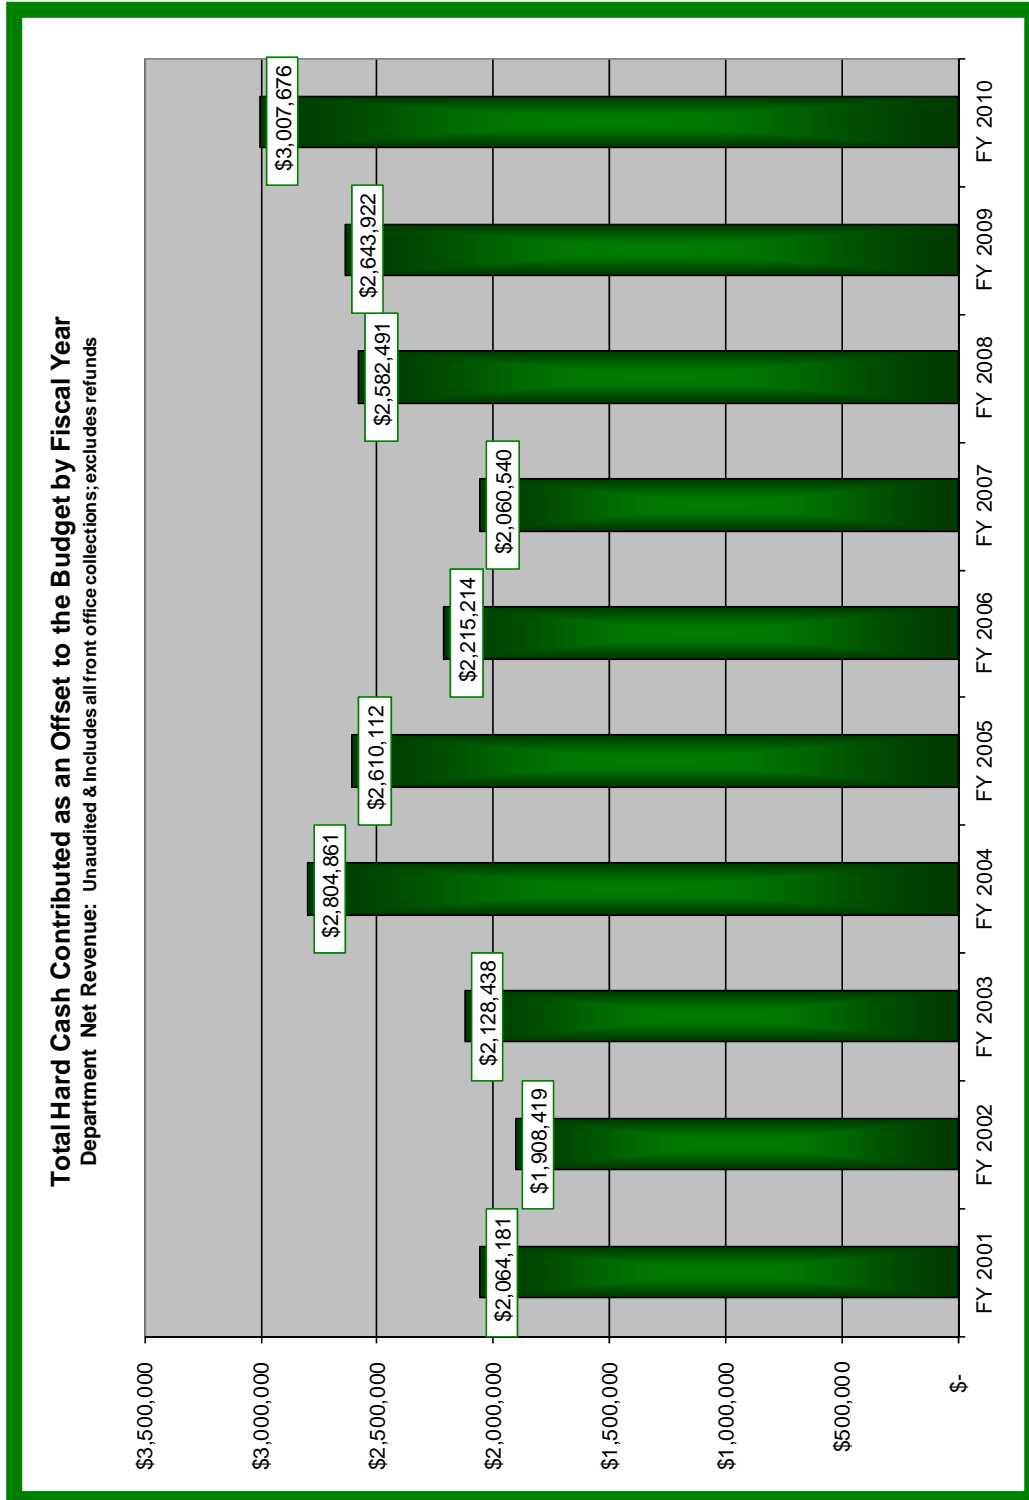

Compared to FY09, on paper, in FY10 the combined net criminal and traffic fines decreased by \$43,603 (-6.5%). However, in FY09 the department began tracking the net percent retained by

¹¹ During FY10, the City of Anderson Police Department’s Bomb Disposal Unit was acquired by the Anderson County Sheriff’s Office.

¹² \$2,264,179 total in-kind contribution / \$4,591,679.83 net cost.

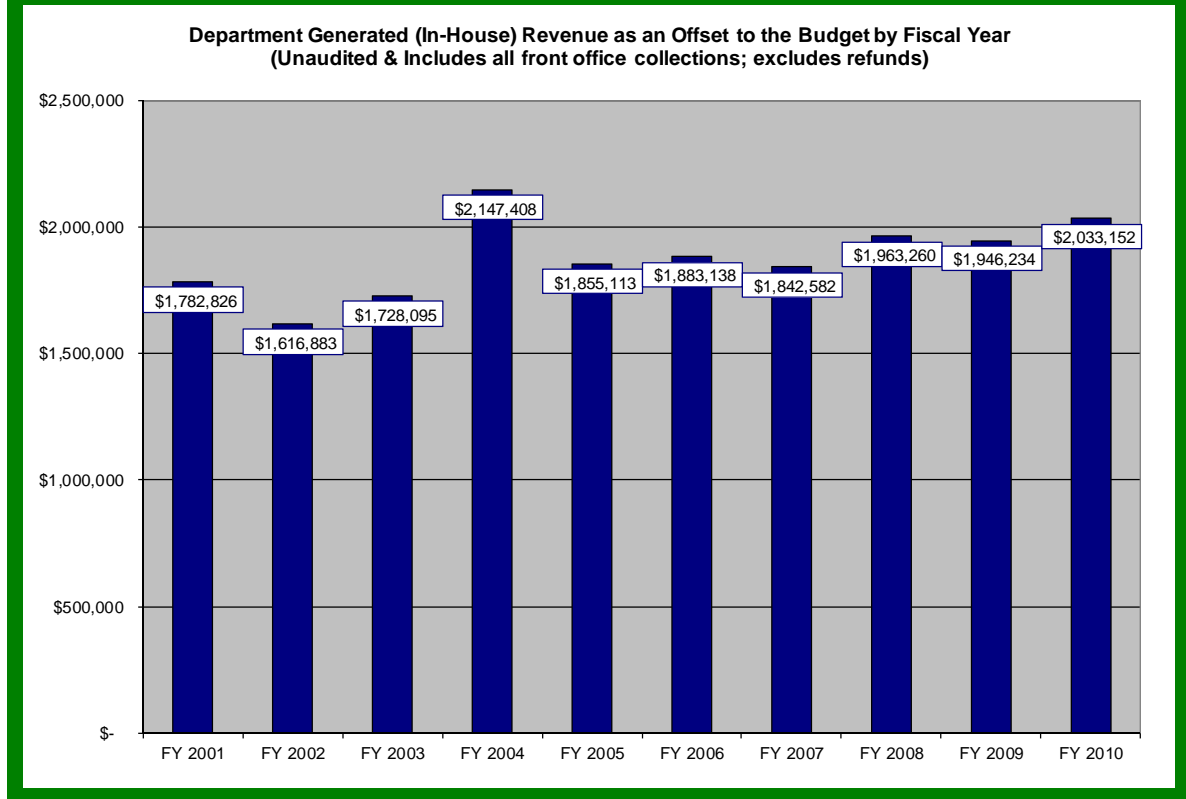

¹³ References to Net Fines are based upon unaudited front office receipts & excludes refunds.

the city for the traffic and criminal fines, after fees were calculated for the state’s portion & crunched the numbers for several previous years in order to get a picture of the history of “net margins” as well as an understanding of the change. Basically, over the years, the overall net fines retained by the city has increased “a little bit” while the portion sent to the state has increased substantially. That is due to increased fees on the fines over the years which have increased as a percentage of the amount of money collected.

Department Generated Revenue for Fiscal Year 2010

Department Generated Revenue for Fiscal Year 2010 (Figures are Rounded & Unaudited)			
U.S. Marshal's Program	\$ 1,164,925	Records Checks	\$ 2,748
Detention Center Phone Fees	\$ 34,565	Finger Prints	\$ 2,340
Criminal Fines (net)	\$ 224,617	Photos & Copies	\$ 1,864
Traffic Citations (net)	\$ 406,876	Funeral Escorts	\$ 7,250
Victim Advocate Funds Retained by City	\$ 94,390	Taxi	\$ 259
Parking Citations	\$ 3,475	Special Events (New FY09 & Forward)	\$ 750
Towing Fees split w/ Garage. This amount to P.D.	\$ 51,565	Precious Metals Permit (New FY09 & Forward)	\$ 600
Animal Control	\$ 280	Forfeited Narcotics Proceeds	\$ 26,670
Court Cost (Miscellaneous in FY06 & later)	\$ 3,977	Vending (Direct Contribution FY10 & Forward)	\$ 6,001
Total Department Generated Revenue for Fiscal Year 2010 was \$2,033,152			

Grant Generated Revenue for Fiscal Year 2010

The City of Anderson Police Department aggressively pursues outside funding in an effort to enhance the quality and type of service(s) provided to the community. All programs for which the department seeks funding are pre-approved by management. The police department's grant proposals are required to demonstrate a legitimate need within the community coupled with a proposed program that when implemented, will lead to a quantifiable improvement in the nature and/or magnitude of the problem as compared to the year(s) prior to the grant program being put into practice.

In Fiscal Year 2010 the City of Anderson Police Department's law enforcement grants produced \$961,687. This is referred to as *grant-generated revenue*. It offsets the overall budget. Grant funding from federal and state sources was higher in Fiscal Year 2010 as compared to

The City of Anderson Police Department Fiscal Year 2010 Annual Report

all previous years. The following table depicts the various areas wherein the department generated grant revenue to the city during fiscal year 2010:¹⁴

During FY10, there were 12 personnel funded by grants: 2 CSI, 1 Project Safe Neighborhoods, 1 White Collar Crime, 1 Violence against Women Investigator, 2 DUI Officers and 5 “COPS”. The COPS Unit was the biggest grant-funded program initiated in FY10. It provides a 5-Personnel COPS Unit funded through the Community Oriented Policing Services (C.O.P.S.) office for three years and was funded with federal Stimulus dollars. The CSI, White Collar Crime and PSN grants were all in their third and final year during FY10. As referenced in the previous table, several grant programs were receiving continuation funding from previous projects.

¹⁴ Source: Police Department records. For more information and historical data, refer to appendix.

Officer- Generated Revenue for Fiscal Year 2010

A smaller area of budget-offsetting revenue is Officer-Generated revenue. This is extra-duty pay that is run through the city. In some instances, officers work extra duty details under circumstances wherein the payee forwards a check to the city for the services of the officer(s) and the city takes out the necessary deductions & then adds the appropriate funds to the officer’s city paycheck. The expense shows up on the city’s ledger but is offset by the revenue, therefore we report this as offsetting revenue generated by the officers. This type of offsetting revenue for the last four fiscal years is as follows:

Officer-Generated Revenue by Fiscal Year: Extra Duty Run Through City (Unaudited)			
FY07			\$21,100
FY08			\$8,154
FY09			\$18,076
FY10			\$12,837

In-Kind Contribution Exceeds \$2,000,000 for Third Year in a Row!

In addition to the direct revenue contribution to the city, the department made additional contributions of an “in-kind” nature totaling \$2,264,179. This was an increase of \$19,397 (+0.86%) over the \$2,244,782 realized in FY09. In-Kind contributions provided by the police department to the community are in the form of revenue, maintenance services, off-duty police officer services, reserve police officer services, fine assessments, and equipment that was seized as a result of being related to illegal drug proceeds. For an itemized explanation of these calculations please refer to the appendix.

In-Kind Cash/Equipment Contributions. The in-kind cash/equipment contribution for Fiscal Year 2010 consists of the following:

- Criminal and Traffic fine assessments¹⁵ totaled \$828,922
- \$51,565 was the City Garage’s 50% share of the towing and auction proceeds that was split 50-50 with the police department. The department counted its 50% share as a cash contribution and the garage’s share as an in-kind contribution because the tow program requires both the police and garage personnel to operate.

Extra-Duty Employment. According to the City of Anderson Police Department’s General Order Manual, “extra-duty employment” is defined as *any secondary employment that is conditioned upon the actual or potential use of law enforcement powers by the off-duty employee.*¹⁶ In FY10, approximately 52 officers worked approximately 20 hours per week for a total of 54,080 hours, the equivalent of an additional 24.76 full time officers.¹⁷ The overall value of the extra-duty police services for FY10 was \$999,637, a decrease of \$5,291 (-0.53%) from \$1,004,928 in FY09. (The decrease was due to Bomb technicians being credited with \$4,559

¹⁵ This figure “passes through” the city to the state and as such is not included in the “Department Generated Revenue for Fiscal Year” because it has no net value to the city.

¹⁶ General Order 1401.

¹⁷ In FY07 the department converted back to a 42-hour work week from a 40-hour work week. Fiscal Year 2006’s calculations were based upon f/t officers working 2,080 hours per year (52X40). In FY06, officers were scheduled 40 per week. Prior to FY06 and after FY06, officers were and are scheduled at 42 per week. Therefore FYs 07 - 10 calculations are based upon f/t officers working 2,184 (52X42) hours per year.

in FY10 vs. \$9,850 in FY09 for Clemson Football and Basketball games.) This estimated in-kind contribution includes the base salary and benefits of employing 24.76 additional officers at the near-starting base rate of \$13/hour. The value of extra duty employment has increased in the last few years due to the increased health care costs and starting pay for officers. Prior to FY06 single-coverage health insurance was calculated at \$256/month per slot compared to \$302/month in FY06. In FY07 and forward, health insurance was estimated to be approximately \$5,000 per officer per year or approximately \$417 per month per officer. Workers' comp calculations were calculated at 5.6% in FYs 2006 and 2007 instead of the usual city-average of 3.6% in previous years. In FY08 and forward the workers' comp figure was calculated at 5.98% of salary.

Reserve Officer / State Constable Program. During FY10, the City of Anderson Police Department's Reserve Force provided 3,784.15 hours at \$0-labor-cost and constables provided a total of 629 hours of service to the city of Anderson at no charge. The total 4,413.15 hours of police services represent a decrease of 270 from 4,683 in FY09. This is equivalent to an additional 2.02 full time officers compared to 2.14 in FY09, 2.36 in FY08 and 1.87 in FY07. The total in-kind dollar value of this program to the city in FY10 was \$81,198. For more information on this program please refer to the section titled *Reserve Officer / State Constable Program*.

Detention Center. In addition to the direct revenue contribution to the city, the Detention Center made an additional contribution of an "in-kind" nature totaling \$302,857, the same as FY09. The in-kind contribution by the Detention Center is for maintenance services (a.k.a. the *Jail Work Program*) that are provided by inmates who are working off their charges in the city jail and by state prisoners who are assigned to the Detention Center to assist with the day-to-day operation of the Detention Center.¹⁸ For detailed information about the Detention Center, please refer to the *City of Anderson Detention Center Fiscal Year 2010 Annual Report*.

Jail Work Program. The City of Anderson Detention Center provides necessary general labor services to the city at no charge. Services are performed by inmates who are sentenced for a variety of misdemeanor convictions in City Court. Typical services provided by the work group include general cleaning of city buildings, washing city vehicles, kitchen work, and light landscaping duties on city-owned properties and right-of-ways around town. In FY10, approximately 12 inmates worked eight hours per day for approximately 200 days providing services that were conservatively valued at \$7.50 per hour. FY10 was the same as FY09. In FY08 the figure was approximately 10 per day. The value of these services (base pay + benefits) in FYs 2006 and 2007 was valued at \$154,926, up from \$98,532 in FY05.¹⁹ In FY08 the value was \$172,596. The FY08 increase included an increase in workers' comp costs. In FY09, due to a 20% increase in the average number of inmates on work detail (up two, from 10 to 12) the services were valued at \$206,899. FY10 was consistent with FY09.

State Prisoners Assigned to City. In addition to the city's jail work program, three inmates from the South Carolina Department of Corrections are assigned to the City of Anderson Detention Center for the purpose of providing general labor services to the Detention Center. The inmates assigned to the APD worked an average of 56 hours per week during FY10, the same as FY09. The value of their services to the city in FY10 was \$95,958, consistent with FY09 and FY08.

¹⁸ For a complete explanation of the value of these services please see appendix.

¹⁹ For a complete explanation of the value of these services please see appendix.

Law Enforcement Personnel

The City of Anderson Police Department consists of six units:

- Patrol Services and Traffic Services Unit
- Investigative Services Unit
- Special Operations Unit
- Detention Unit
- Administrative Services Unit
- Support Services Unit

Sworn Personnel. At the end of FY10, the City of Anderson Police Department consisted of 95 budgeted-sworn positions assigned as follows:

City of Anderson Police Department Sworn Personnel as of June 30, 2010						
	Chief	Captain	Lieutenant	Sergeant	Officers	Vacancy
Patrol Services	1	1				
Patrol A Shift			1	2	8	
Patrol B Shift			1	2	8	
Patrol C Shift			1	2	8	
Patrol D Shift			1	2	8	
Patrol Traffic				1	3

Detention		1	1			
Investigations		1	1	2	9	
Special Ops.		1	1	1	7	
Support Services		1		3	5	1
Evidence					1	
Administration		1	1	1	1	
Sub Total	1	6	8	17	62	1
Total	<u>95</u>					

Civilian Personnel. The 52 non-sworn members who make up the support staff for the certified officers are employed in specialized functions that are essential to the department in order for it to successfully conduct its daily business efficiently. Civilian personnel are utilized in areas where direct law enforcement action is not required. They are assigned duties that support key aspects of the law enforcement profession. Such duties include maintaining criminal intelligence files, data processing, record keeping, organizational planning and operating the jail.²⁰

²⁰ For information concerning the duties of Booking Officers, Jailers and Transport Officers please refer to the City of Anderson Detention Center Annual Report.

The two Victims' Advocates are funded by state mandated assessments on fines collected in the City of Anderson. Therefore, the cost of maintaining these positions has no actual impact upon the general fund of the city. The Victims' Advocates provide counseling to individuals who have been traumatized by crime and ensures that victims are regularly updated on the status of cases that are pending against the persons who have victimized them.

The Payroll Technician assigned under the Support Services Unit maintains all regular and over time payroll records for the 147 personnel slots listed in the City of Anderson Police Department's budget. These records are broken down by unit and also separated by grant-type for personnel who are grant-funded.

The Animal Control Officer picks up hundreds of animals each year and transports those animals to the Anderson County Animal Shelter where they are humanely cared for until a final home can be found for them. During FY10 the City of Anderson Police Department experimented with having two part-time Animal Control officers in place of one full time personnel.

The Law Enforcement Technician and Records Specialists within the Admin Unit provide support to all units including the Detention Center. The seven (7) personnel listed for the Administration Unit for FY10 includes a temporary slot for a Receptionist who provided secretarial services for the Detention Center. That slot was vacant and was slated for downsizing as of the end of FY10.

Part-time medical personnel are assigned to the detention center to ensure that inmates receive proper medical care. The medical personnel, along with booking officers, jailers, "floaters" and transport personnel, ensure that inmates are properly cared for while being securely maintained in our inmate housing facility. In FY10, the number of part-time slots allocated to the medical staff for the Detention Center was increased from one to two. The second slot was vacant as of the end of FY10.

Crossing Guards are an integral and invaluable part of the Department. These personnel are temporarily employed throughout the school year to ensure that school areas are safe for all commuters, including both drivers and walkers. These positions are part-time and the hours are usually immediately prior to or after the beginning and/or dismissal of their assigned school. Their primary duties include - first and foremost – making sure that children behave in a safe and practical manner while arriving at or exiting from school and crossing roadways. They also assist in traffic management by providing a safe and convenient passageway for motorized traffic through the school zones.

The following table is a summary of the respective assignments of the department's civilian personnel.

The City of Anderson Police Department Fiscal Year 2010 Annual Report

The Office of Professional Standards (“Internal Affairs”).

The series of City of Anderson Police Department *General Orders* that applies to Internal Affairs is the 1800 series. According to General Order 1801:

The policy of the City of Anderson Police Department is to ensure that integrity is maintained through an internal system where objectivity, fairness, and justice are assured by intensive and impartial investigation and review to clear the innocent, establish guilt of wrongdoers, and facilitate fair, suitable, and consistent disciplinary action. All Internal Affairs policies and procedures apply to all members of the City of Anderson Police Department - sworn, non-sworn, reserve, volunteer, or interns, etc - who have a professional relationship with the department.

A proper understanding of what constitutes a valid complaint is essential to start the entire complaint and administrative investigation process. The person receiving a complaint must have a full and complete understanding of what is or is not a valid complaint. Without the essential foundation the entire process is curtailed at the very beginning and the system fails to adequately hold individual employees accountable for not initiating the proper procedures of complaint acceptance.

In order to facilitate citizens who desire to initiate a complaint, the protocol for contacting the I/A Coordinator is detailed on our website at www.andersonpd.com. Citizens may also either call the main line to the City of Anderson Police Department or contact the I/A coordinator directly by phone. In summary, a complaint can be filed with Internal Affairs in the following ways:

1. A citizen may elect to go to the Anderson Police Department and request to speak with an internal affairs investigator or the shift supervisor.
2. Call the Internal Affairs Office at 864-231-2288.
3. Write a letter to the attention of either the Chief of Police or the Internal Affairs Division at the Anderson Police Department, 401 South Main Street, Anderson, SC 29624.

Use of Force. In addition to citizen complaints, the I/A Coordinator also tracks “Use of Force” statistics. The following table is the Internal Affairs Coordinator’s summary for FY10.

The City of Anderson Police Department Fiscal Year 2010 Annual Report

Fiscal Year 2010 Internal Affairs Report					
1	Complaints Per Number of Contacts Made.				
	Calls for Service		68,280		
	Contacts Made		170,700 (estimated*)		
	Complaints		29	0.017%	17/100,000
	a.	Unfounded	4	0.002%	2/100,000
	b.	Exonerated	11	0.006%	6/100,000
	c.	Not Sustained	3	0.002%	2/100,000
	d.	Sustained	11	0.006%	6/100,000
	e.	Pending (as of June 30)	0	0.000%	0/100,000
*This is based on 2.5 numbers of people officers make contact with on any given call. 2.5 was the general consensus of Anderson Police Officers.					
2	Use of Force Based on the Number of Arrests.				
	Total number of Arrests		2,936

II. Major Accomplishments

The Five-Year Strategic Plan

Purpose. The City of Anderson Police Department is the most visible component of local government and by most peoples' accounts has the most impact on the daily lives of the people who live in and visit our community. For many years this department has played a leading role in city government and in the law enforcement profession. The department's management personnel are committed to this role. We believe that by developing and following a solid *Strategic Plan* we will establish our roadmap for success which will enable us to successfully move forward into the future. Therefore, the City of Anderson Police Department has developed a multi-year Strategic Plan which will provide guidance to the department as it transitions into the 21st century. Most people in academia recommend that a strategic plan project forward between three and five years. Because of the rapidly changing issues that we face today, the Anderson Police Department Strategic Plan extends five years out.

A Strategic Plan is a *blueprint* that enables an organization to build and develop its business response to the needs of its market place in an effort to meet the challenges of the future. Further, it is also a process by which an organization's vision, goals, and objectives (means for achieving goals) are defined, implemented, evaluated, and updated on a continual basis as a means for helping the organization to adapt and thrive in an ever-changing environment. Strategic Planning is sometimes referred to as *Long-Range Planning*, *Five Year Plans* or *Ten Year plans*. All of those labels refer to basically the same concept.

The Strategic Plan of the City of Anderson Police Department is a process for leading, guiding, focusing and directing the agency toward achieving its ultimate mission. This Long-Range planning process is indispensable for ensuring that the department's efforts, resources, and attention are managed at the appropriate levels to meet the needs of the Greater-Anderson community and to avoid the risks associated with becoming stretched too thin as the department attempts to address the ever-increasing multitude of issues that impact our ability to achieve the mission. A policing agency that merely stays focused on day-to-day concerns becomes totally reactive and tends to stifle creativity and innovation -- the very characteristics needed by a modern policing agency.

In March of 2007, the executive staff met to perform a situational assessment of our current environment and evaluate the organization's strengths, weaknesses, opportunities and threats. Out of this analysis came the development of the department's goals and objectives.

In order to achieve the desired goals and objectives, detailed strategies have been established to provide benchmarks on the road to goal-attainment. While input was sought from every member of the department, these strategies are not to be considered all encompassing. The fluidity of modern public safety necessitates frequent review and update.

With more responsibility comes more accountability. This program ensures that division supervisors are knowledgeable about the problems in their areas, develop effective working strategies to address these problems, and are constantly developing internal and external partnerships to eliminate the crime problems in their areas of responsibility and/or expertise. Technology provides the key change in the way that we do business.

While we have a good technological infrastructure, we must learn to use our data in order to make both routine and critical decisions on resource deployment, crime fighting strategies and community enhancement. During the years covered by this plan, we will be using our technology to streamline our administrative functions and allow us to share information rapidly so that crime suppression activities may be used in a timely fashion.

Training will also be a mainstay of our agenda for this plan. We will continue to hire new personnel and provide them with all of the tools and skills necessary for a complex profession. Training, however, will not just focus on the new employee. It will be our goal to improve the skill level of all of our employees.

The two major accomplishments under the five-year-strategic-plan for fiscal year 2010 were (1) continuing to aggressively pursue grant funding to subsidize programs to suppress violent crime and traffic crashes and (2) continuing to build strong partnerships with the Greater-Anderson community. A summary of these two accomplishments is as follows:

1. In Fiscal Year 2010, the City of Anderson Police Department's law enforcement grants offset the overall budget by \$961,687. In the annual report this is referred to as grant-generated revenue. Grant funding subsidized the following programs:

- Street Level Criminal Apprehension (Overtime)
- DUI Traffic Grant – 2 Personnel
- Project Safe Neighborhood – 1 Personnel (Ended September 30, 2009)
- White Collar Crime Investigator – 1 Personnel
- Violence Against Women Investigator – 1 Personnel
- Crime Scene Investigators – 2 Personnel
- Body Armor (Stimulus Funds)
- Tasers (Stimulus Funds)
- Street Level Criminal Apprehension (Overtime) (Stimulus Funds)
- Community Oriented Policing Services (C.O.P.S. - 5 Personnel; Stimulus Funds)

In addition to the above grant-funded personnel, several additional personnel are subsidized through community partnerships. These programs are included in the total reported for grant programs and include:

- HUD Officer for Public Housing– 1 Personnel
- School Resource Officer Program – 3 Personnel

For more information on the City of Anderson Police Department's grant programs go to www.andersonpd.com.

2. Subsequent to the agency's aggressive development of partnerships with surrounding agencies and community groups, the City of Anderson Police Department entered into an agreement with the Anderson County Emergency Preparedness (a.k.a., the Anderson County Sheriff's office) to participate in the county's 800 MHz radio program. In this partnership, the county provides an number of 800 MHz radios for City of Anderson Police Department personnel and picks up the monthly usage fee for 10 years.

Additional progress has been made toward achieving the following sub-goals contained in the five-year strategic plan in the following areas:

Goal 1 - Facilitate crime and traffic accident prevention and reduction through proactive problem solving strategies and community partnerships.

The milestones reached during FY10 toward achieving this goal were (compared to FY09):

Major Index Crimes decreased from 2,193 to 2,160

The Non-Violent Index decreased from 2,004 to 1,964

- Calls-for-service (CFS) decreased from 69,389 to 68,380
- Citizen-Generated CFS decreased from 26,334 to 22,844
- Officer-Generated CFS increased from 43,055 to 45,536
- Keep Checks increased from 23,949 to 24,647
- Incident Reports decreased from 6,356 to 6,067
- Criminal charges increased from 2,813 to 2,974
- Criminal Defendants increased from 1,588 to 1,616
- Robberies decreased from 65 to 56
- Larceny-Thefts decreased from 1,443 to 1,372
- Motor Vehicle Thefts decreased from 146 to 124
- Arsons decreased from 11 to 9

Dispatched Traffic Crashes decreased from 2,104 to 2,049

- Traffic Citations increased from 8,648 to 9,372
- Persons cited on traffic tickets increased from 6,461 to 7,377
- Parking Citations increased from 373 to 651

Goal 2 - Restructuring the Department and building organizational capacity to support the reduction of crime and disorder.

The primary milestone reached during FY10 toward achieving this goal was:

The City of Anderson Police Department received a three-year federal Community Oriented Policing Services (C.O.P.S.) grant award in excess of \$600,000 to fund five personnel over the three-year life of the grant.

The program for the COPS unit focuses on concentrating the unit in the most disadvantaged areas with respect to crime and disorder for the purpose of affecting the most change with limited resources.

Goal 3- Enhancing police professionalism and community trust through accountability, performance measures, training, recruiting, and adoption of modern police practices.

The milestones reached during FY10 toward achieving this goal were:

1. ***Police Conduct.*** According to Internal Affairs reports, for FY10, only a minuscule percentage of people with whom our officers had contact during the fiscal year actually filed a complaint. Out of 69,380 service calls and an estimated 170,700 personal encounters with the public, there were only 29 complaints filed with I/A. That is roughly 17 complaints per 100,000 individual contacts. Of the 29

complaints, four were determined to be unfounded, 11 were exonerated, three were un-sustained and none were left pending as of the end of the fiscal year. As of June 30, 2010, for the fiscal year, only 11 complaints had been determined to be sustained for the fiscal year - roughly 6 per 100,000 contacts. As a comparison, for the same period of time (FY10) there were 4 murders and 196 violent crimes documented in the city resulting in a murder rate of 14.7 per 100,000 residents and a violent crime rate of 722.1 per 100,000 residents.

2. ***Training & Development.*** In addition to skill enhancement and mandated training, our continuous training plan will focus on four areas: diversity, problem solving, ethics/integrity/respect, and leadership. While some of these topics will have specialized courses, others will be ingrained into every training course offered. We believe that through effective training of police personnel we can achieve a major improvement in both the quality of police service and the quality of life for residents in Anderson, South Carolina.
3. ***Recruitment and hiring.*** The department recruited, trained, and retained qualified, experienced and service-oriented people by continuing its development of a Training and Recruiting sub-Unit under Support Services. The department continued its assignment of a full-time recruiting officer to recruit qualified personnel. Minorities and women were recruited and hired.

Goal 4- Acquiring modern technology, information management, and infrastructure that supports organizational goals and objectives.

The milestones reached during FY10 toward achieving this goal were:

1. The City of Anderson Police Department “signed on” with Anderson County Emergency Preparedness in order to participate in the county-wide 800 MHz program. The county of Anderson provides a number of radios for City of Anderson Police Department personnel and picks up the operating expense for the usage fees for 10 years.
2. The City of Anderson Police Department laid the groundwork in late FY10 to set up its own Information Technology (I/T) Unit whereby the agency would have a state of the art, uncompromised, computer system which meets the F.B.I.’s and S.L.E.D.’s mandates for security and sets the standard for Criminal Justice Information Systems in the state of South Carolina. As of June 30, 2010, the City of Anderson Police Department had a target date of July 31, 2010, for the completion of the project and switchover from the city’s I/T Division.
3. As of the end of FY10, the APD was aggressively researching funding sources in order to update and improve the agency’s Cyber-Forensic capabilities. Plans were being developed to apply for extensive funding under federal programs in order to add to the agency’s existing *Internet Crimes Against Children* project. As of the end of FY10, the potential for funding in this area looked extremely promising.

Daily Operations, Crime Suppression and Traffic Crash Reduction

The City of Anderson has decreased its violent crime rate since the mid-nineties and is currently enacting programs expected to decrease traffic accidents. The department divides the city into six patrol zones that substantially coincide with the individual wards. The zones are different sizes, with zones three and four being the smallest. Zones one and six are the largest. The zones are substantially the same as the political subdivisions of the city (wards).

The following sections detail public safety in the city as it pertains to (1) crime and (2) traffic accidents. An attempt is made to detail the major criminal activity and explain the frequency of the activity.

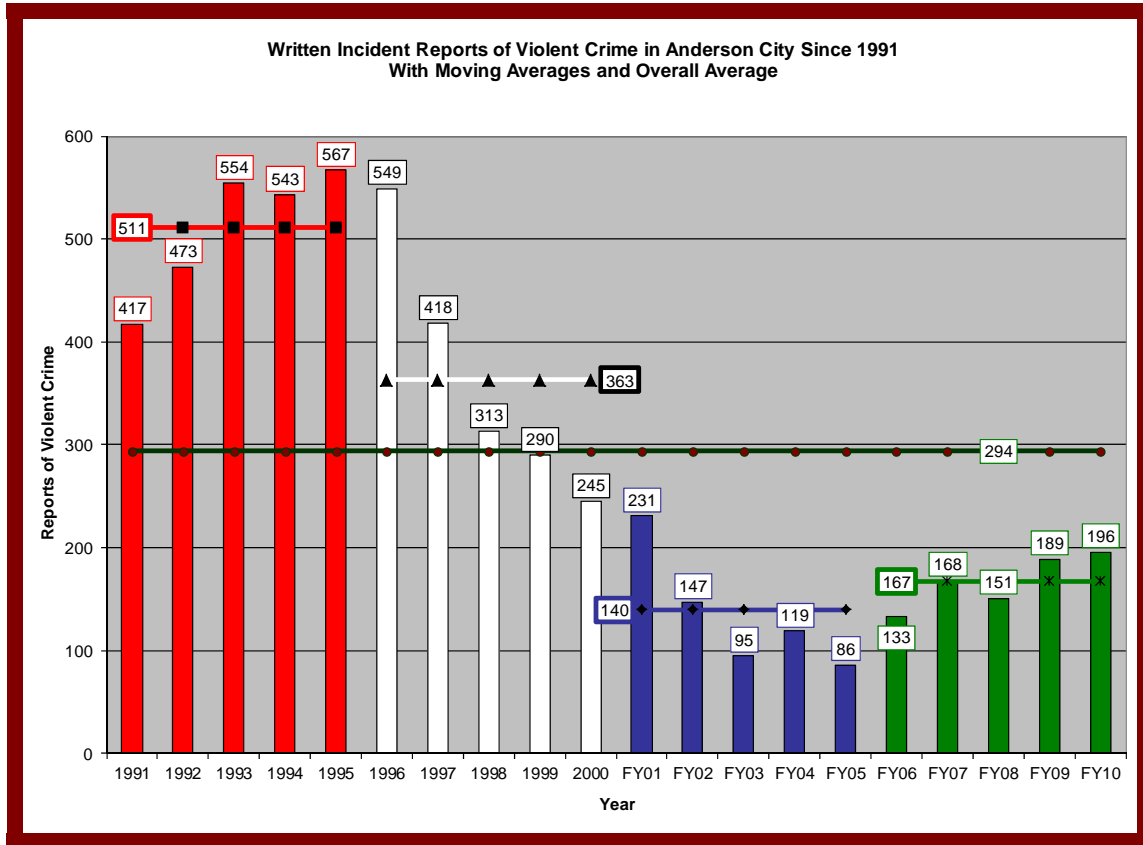

A Significant Decrease in Violent Crime Since 1991

Uniform Crime Report (UCR) Violent Crime. The City of Anderson Police Department tracks major violent crimes and major property crimes. Our overall measurement of safety within the City of Anderson is the measurement of the following major violent crime: Murder, Robbery, Rape and Aggravated Assault. The figures contained in this section of the annual report are comparable to the City of Anderson from year to year and across years. In other words, the same type of crimes have been measured either by counting reports by hand prior through approximately Fiscal Year 2004 or pulling the data electronically for the last few years. However, the department's internal figures for the federal classifications as compiled by the United States Department of Justice for some crimes are somewhat different, especially for Aggravated Assault.

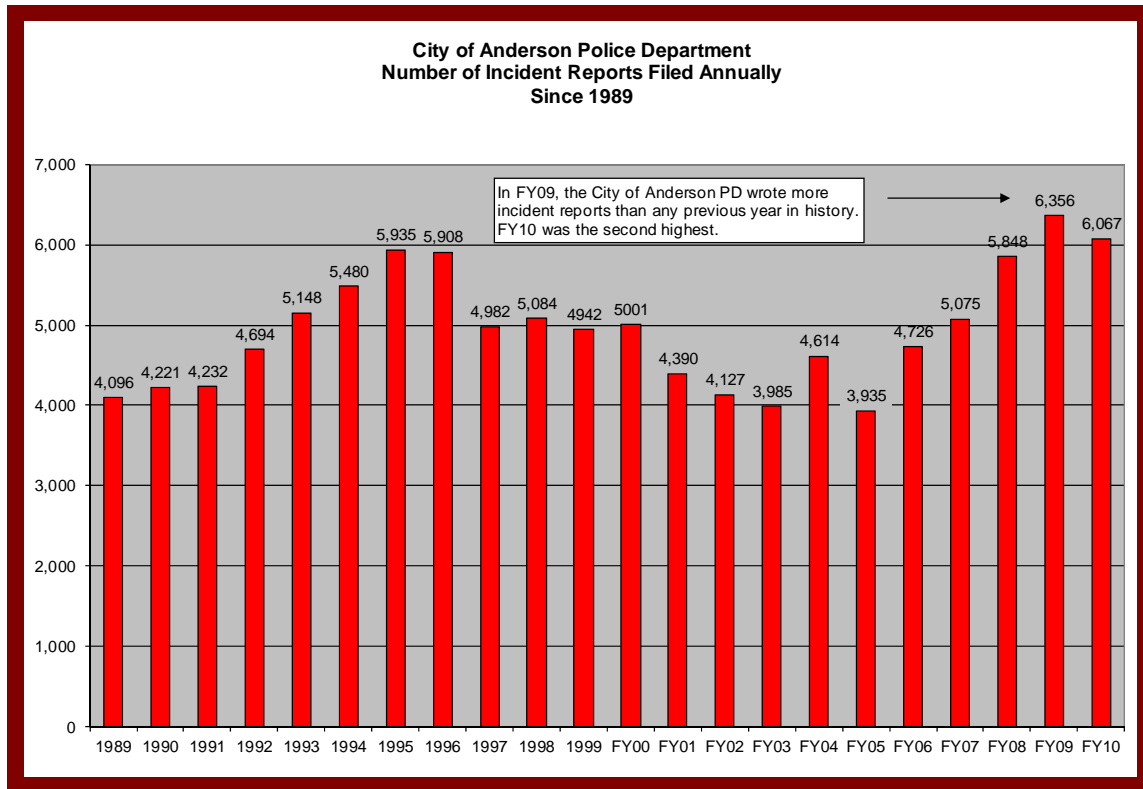

In the FBI's Uniform Crime Reporting (UCR) Program, violent crime index is composed of four offenses: murder and nonnegligent manslaughter, forcible rape, robbery, and aggravated assault. Violent crimes are defined in the UCR Program as those offenses which involve force or threat of force. For the most part the City of Anderson Police Department measures our major classifications in the same way except for aggravated assault. The City of Anderson Police Department has always limited its count of aggravated assaults to *Assault & Battery of a High and Aggravated Nature, Assault with Intent to Kill* and *Criminal Domestic Violence of a High & Aggravated Nature* because these type assaults are the ones that include serious circumstances. The Feds include additional assaults in their classifications. Therefore, the federal classifications should be used when comparing the City of Anderson's crime counts and crime rates to the national, regional, state or county averages (or to other areas) and the agency's internal counts limited to serious assaults should be utilized when tracking our crime counts and crime rates over time.

Caution against ranking. Each year when the federal data is published, some entities use reported figures to compile rankings of cities and counties. These rough rankings provide no insight into the numerous variables that mold crime in a particular town, city, county, state, or region. Consequently, they lead to simplistic and/or incomplete analyses that often create misleading perceptions adversely affecting communities and their residents. Valid assessments are possible only with careful study and analysis of the range of unique conditions affecting each local law enforcement jurisdiction. *The data user is, therefore, cautioned against comparing statistical data of individual reporting units from cities, metropolitan areas, states, or colleges or universities solely on the basis of their population coverage or student enrollment.*

City of Anderson’s crime reports. The overall average number of yearly violent crime reports for the 20-year period ending with FY10 was 294 with a standard deviation of 171.1. (The median was 238.) Calendar Year 1995 was the worst year on record for overall violent crime in Anderson City. During CY95 there were 567 written reports of violent crime in Anderson City as compared to the best year – Fiscal Year 2005 – with 86. For the eight consecutive years ending with FY03, crimes of confrontation decreased yearly and substantially in Anderson. A slight spike occurred in FY04 followed by another dip in FY05. After two successive years of increased violent crime counts, FY08 experienced a decrease and was followed by two successive yearly increases in FY09 & FY10.

Fiscal Year 2005 was the first complete fiscal year that the department had its South Carolina Incident Based Reporting System “up-and-running”. This system allows a substantially increased amount of information to be electronically entered onto reports than the previous hand-written procedures utilized by the department. Prior years required “hand-counting” hard copies maintained in notebooks. We believe the electronic system has present as well as historical integrity and that the violent crime figures reported from the system are compatible with SLED’s reported format from previous years. For that reason, the FY06 (and forward) annual report data can be accurately compared to previous years. The following chart represents the department’s production of incident reports since Calendar Year 1989. As depicted, during FY09 the City of Anderson Police Department produced a record number of incident reports.

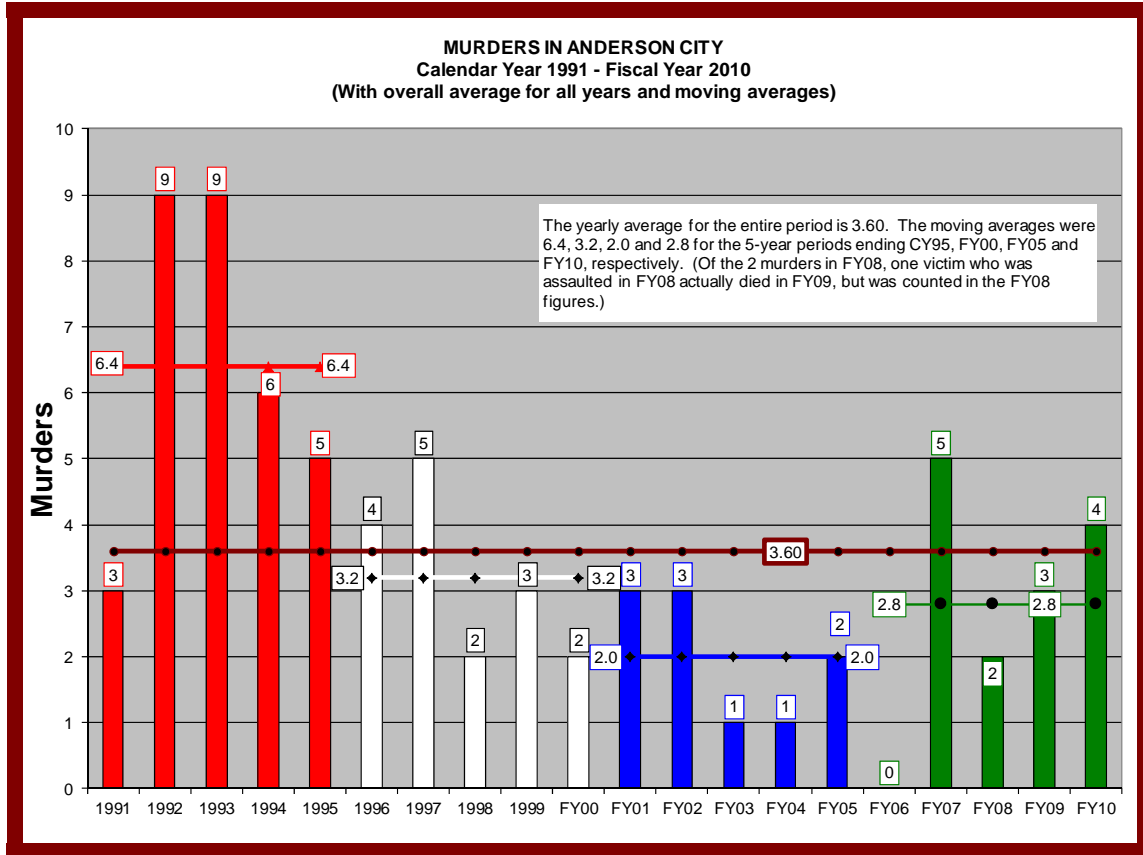

The 6,067 incidents reports listed for FY10 contained a total of 7,090 occurrences of 58 different federal classifications of events. Those federal classifications entailed 307 State and/or City Statutes which occurred a total of 7,555 times. The appendix contains a complete listing of the federal classifications, state statutes involved and the zones from which the reports were written. The 6,067 written incident reports listed by zones²¹ are as follows:

Fiscal Year 2010		
Zone	Total	Percent
1	1,137	18.74%
2	728	12.00%
3	1,566	25.81%
4	843	13.89%
5	779	12.84%
6	982	16.19%
Outside Juris	32	0.53%
GRAND TOTAL	6,067	100.00%

The murder rate for the City of Anderson has decreased substantially since it peaked at nine per year in 1992 and 1993. The change in the murder rate for the City of Anderson has shown a change which corresponds with that of the overall violent crime rate. The following chart depicts the yearly number of murders in Anderson City for the 20-year period ending with FY10, the overall average, and four moving averages.

²¹ For a detailed listing of federal offense codes & state statutes by zone see appendix.

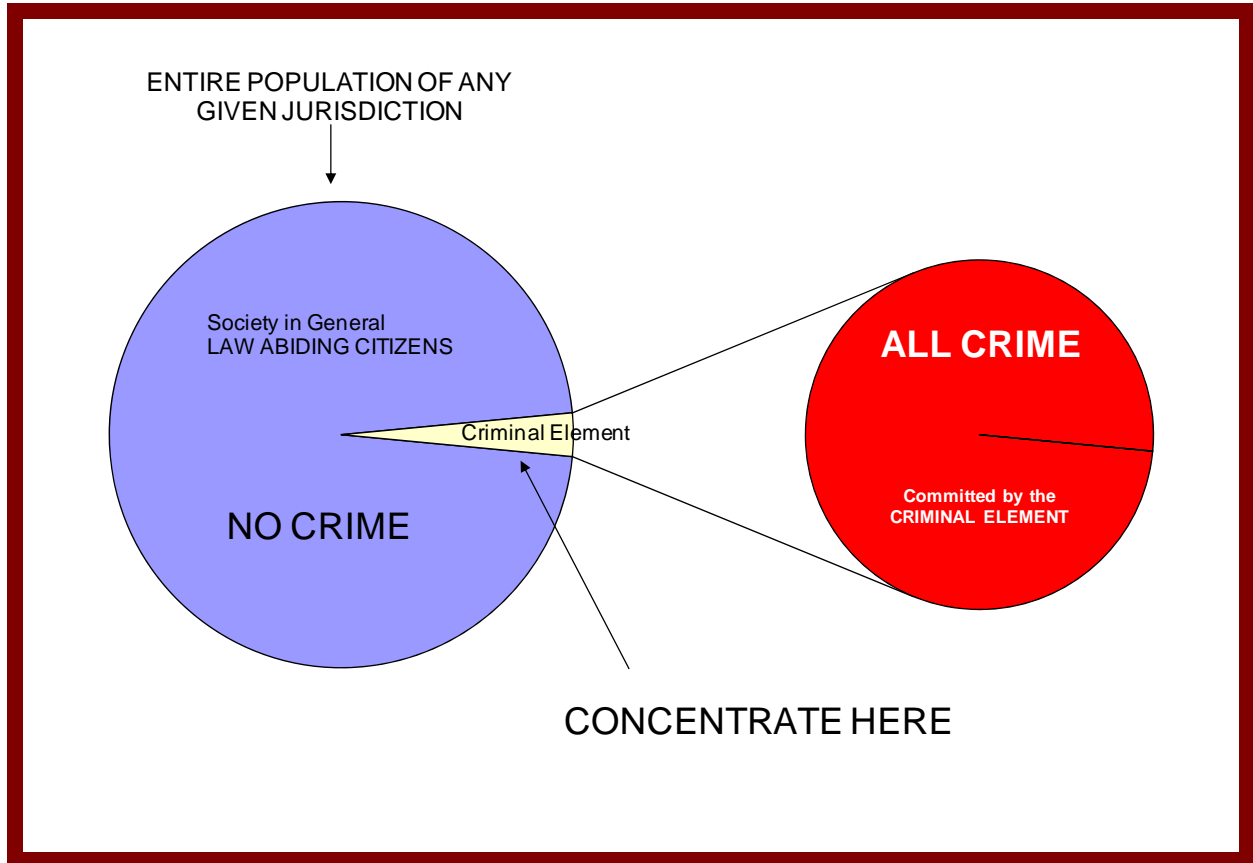

MAJOR CRIMES BY YEAR AS PER UNIFORM CRIME REPORTS

The City of Anderson Police Department routinely analyzes criminal activity and crime rates to understand the crime trends for particular areas. Special attention is given to reports of violent crime, drugs, and illegal weapons because previous research has established a nexus among these criminal components and also between these crimes and other types of criminal activity, both violent and non-violent²². This form of crime analysis is part of the basis for the current focus of the *Street Level Apprehension Program*. This program has resulted in the arrest of hundreds of criminal offenders since the spring of 1997 and the violent crime rate in the City of Anderson has shown a decrease during the same period.

The premises behind the City of Anderson Police Department's programs to control violent crime are (1) violent crime is controllable and (2) decreasing violent crime in a particular environment can be achieved through (a) modifying the environment by limiting the opportunities for people to commit crime, and/or (b) pro-actively arresting, convicting, and incarcerating offenders, thereby removing the perpetrators of crime from the environment. The following illustration depicts the City of Anderson Police Department's model for its crime-control programs:

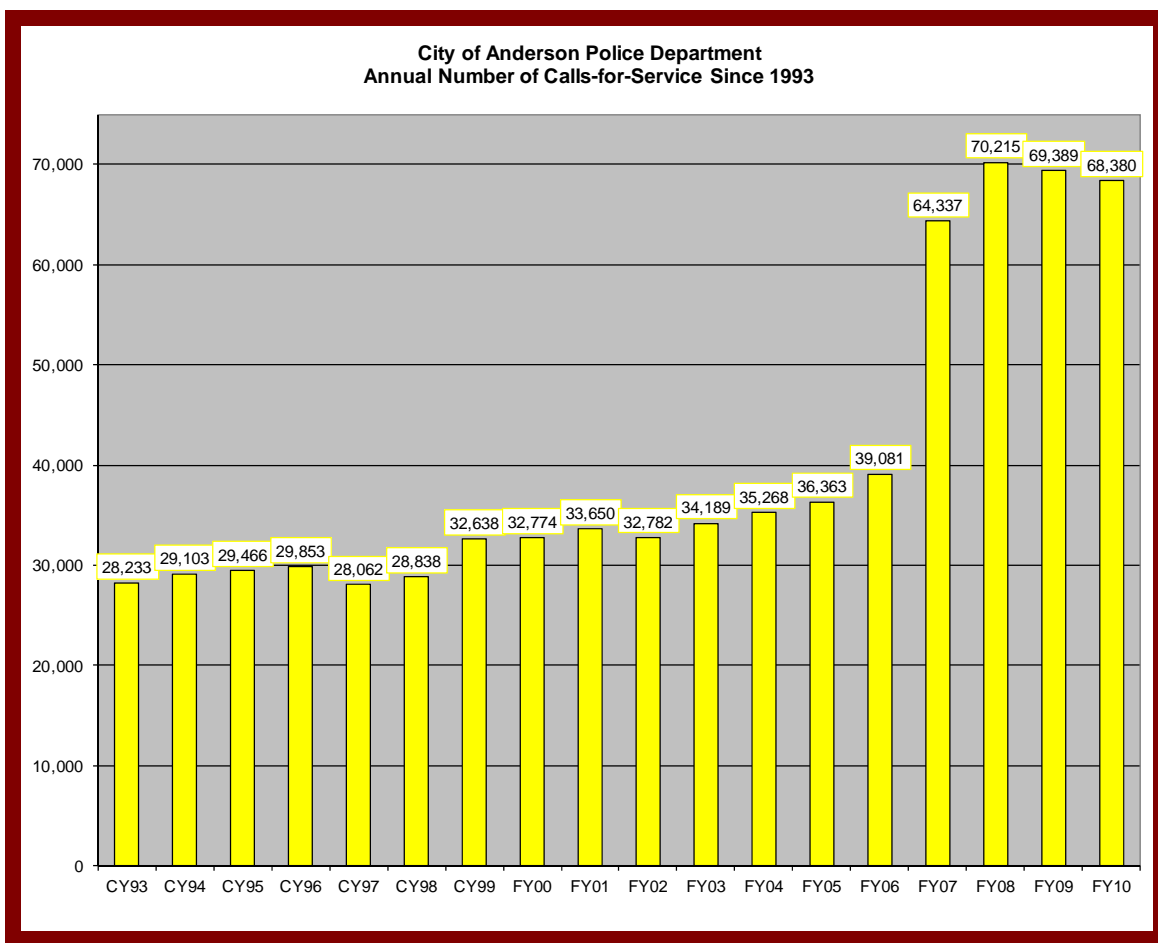

²² Research indicates that illegal weapons, drugs, and violent crime are correlated. In addition, these types of crimes occur disproportionately in conjunction with many other types of crime(s). Additionally, the primary nexus is drugs which seem to be correlated with more crimes more than any other single correlate.

Calls-for-Service. Since CY93, calls-for-service activity has shown an increase almost every year. The City of Anderson has a 100% response policy. In essence, every call for police service(s) results in a personal contact between an officer and a complainant unless the complainant specifies to the dispatcher that they prefer otherwise. By and large, the citizens of Anderson City are comfortable calling on the police department to report actual or potential criminal activity. Many calls to the police are the result of citizens who have seen an advantage to stepping up their efforts in helping police by reporting suspicious activity.

The call-for-service analysis is based upon data that is electronically downloaded from Anderson County’s Central Dispatch. Every service-activity by an officer is considered a call-for-service, whether citizen-generated or officer-generated. In previous years’ annual reports, calls-for-service with a dispatch-to-on-scene time of 0:00 were considered officer-generated. (An example of an officer-generated call-for-service would be a traffic stop.) Calls-for-service with a dispatch-to-on-scene time of 0:01 (1 second) and greater were considered citizen-generated. Examples of officer-generated calls are keep checks, building checks and car stops.

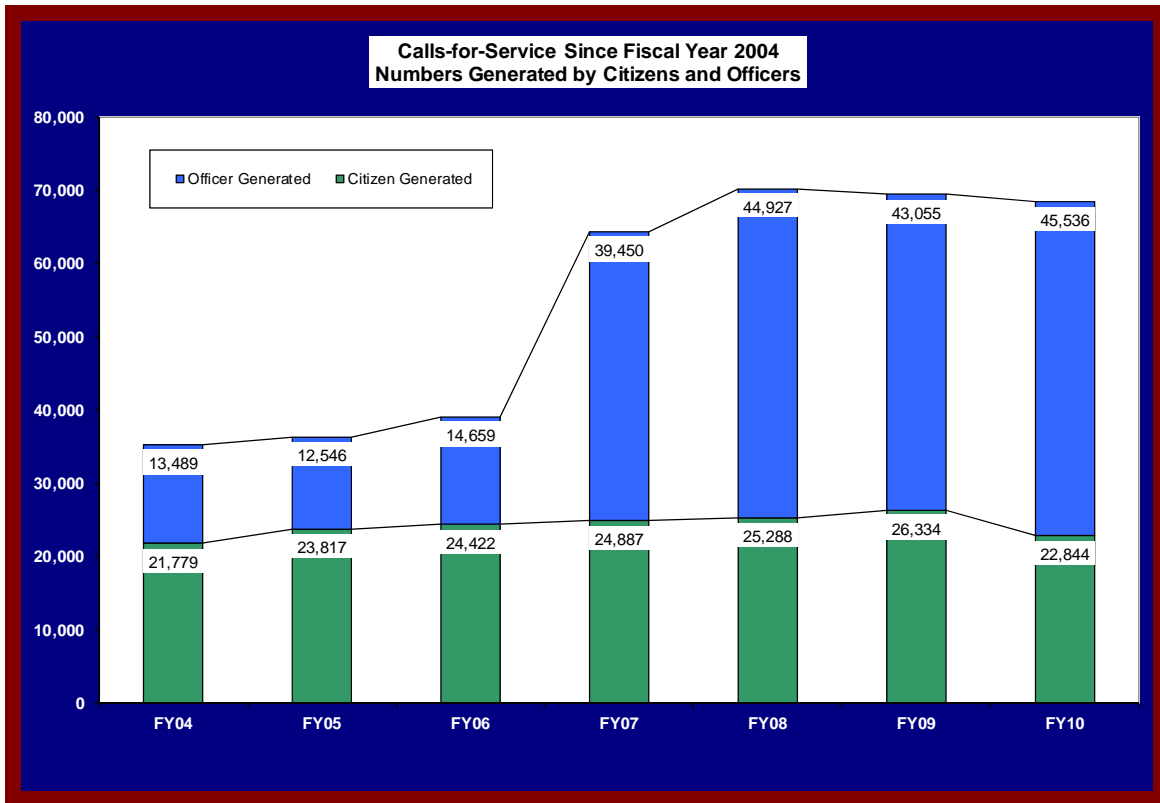

The number of calls-for-service to the police department has increased substantially since 1993. The following chart lists the actual numbers of calls-for-service that were addressed by the police department during the eighteen-year period ending with FY10.

As the above chart depicts, fiscal year 2007 showed the highest percent of increase in calls-for-service activity of any year on record with an increase of 64.6% over fiscal year 2006. However, the biggest impact upon the increase was in officer-generated calls, especially “keep checks”. Near the end of Fiscal Year 2006 the department initiated an aggressive outreach program intended to provide increased security services to businesses and churches by officers checking

the buildings and documenting the checks via central dispatch. Fiscal Year 2007 was the first complete fiscal year that this program was in effect. In FY07, compared to FY06, citizen-generated calls increased only 1.9%, but officer-generated calls increased 169.1%. There were 22,681 officer initiated keep checks in FY07, compared to 867 in FY06. Naturally this was the single largest increase in any call category for FY07.

There was a decrease of 1,009 (-1.5%) calls-for-service in total call volume for FY10 as compared to FY09. Compared to the previous fiscal year, in FY10 there were 3,490 fewer citizen-generated calls-for-service and 2,481 more officer-generated calls-for-service. One of the largest differences in the tallies of call types in FY10 compared to FY09 seemed to be *Building or Keep Checks* which are officer-generated. In FY10, there were 24,647 of these calls-for-service listed, an increase of 698 from 23,949 in FY09.

Officers in the police department aggressively patrol for prowlers, potential burglars and other types of predatory persons during the nighttime hours. A substantial part of this counter-predator patrol is in performing “building checks” and “keep checks”. A *building check* is simply the process of officers checking buildings in their assigned zones for signs of criminal activity. A *keep check* is the same type process but is performed for private citizens during their absence from their residences subsequent to the citizens having notified the department of the fact that they are out of town for a specific time frame. In Fiscal Year 2010, there were 24,647 “building checks” and “keep checks”.

As of fiscal year 2007, management decided to track calls-for-service by category and type in order to determine the frequency of various types of calls as well as analyze any changes that may occur over time. This annual report is the first major report wherein the City of Anderson Police Department has categorized a year’s worth of calls-for-service by category and compared them to more than one previous year. The counts for major call categories by year are as follows.

Call-for-Service Category	Year and Change from Previous Year				
	FY07	FY08	FY09	FY10	% Change
Alarm	2,986	3,194	3,294	3,196	-3.0%
Animal Call (New category FY09+)*	N/A	N/A	1,904	1,751	-8.0%
Citizen Assist	504	499	542	523	-3.5%
Counter-Crime	4,421	4,659	4,592	4,027	-12.3%
Domestic or Civil Dispute	2,877	2,964	3,110	3,080	-1.0%
Drug or Alcohol Crime	387	401	356	328	-7.9%
EMS Assist	364	350	401	382	-4.7%
Fire Assist	250	372	434	379	-12.7%
General Service (No Animal Calls FY09+)*	33,731	34,847	30,618	31,052	1.4%
Property Crime	3,515	3,614	3,854	3,505	-9.1%
Quality of Life	1,400	1,395	1,258	1,129	-10.3%
Traffic Related (Non-Crash)	10,961	14,551	15,337	15,584	1.6%
Traffic Related (Wreck)	1,630	1,806	2,104	2,049	-2.6%
Violent Crime	999	1,140	1,153	1,023	-11.3%
White Collar Crime	312	423	432	372	-13.9%
Grand Total	64,337	70,215	69,389	68,380	-1.5%

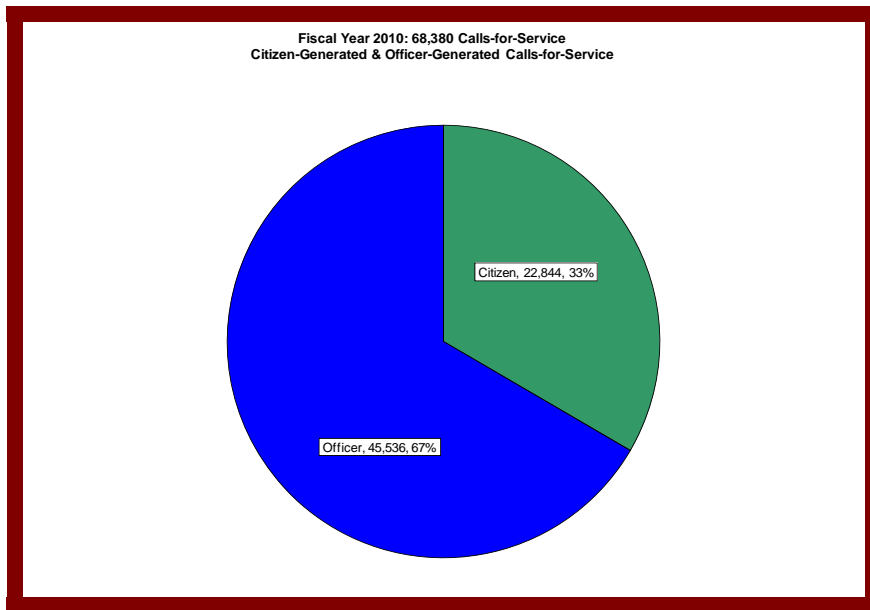

*In FY09 the animal calls were broken out from General Service & reported as a new category.

The *type* of call is based upon the ten-code listing as electronically stored in Anderson County’s Central Dispatch CAD system. The *categories* were determined by the executive staff of the police department. To view a list of categorized calls by type please refer to the appendix.

The following pages depict in chart form various time-study analysis of the police department’s “workload” with respect to calls-for-service. The following graph displays the change in the average number of calls-per-day-per-year since calendar year 1993. Adjustments have been taken for leap years.

Citizen-generated vs. officer-generated calls-for-service. For years prior to FY08, the citizen-generated portion represents the calls with a one-second or higher response time. The FY10 electronic data received from Central Dispatch lacked sufficient *dispatch to on-scene* time-data to determine officer-generated calls versus citizen-generated calls, based upon *zero-response times*. However, after reviewing the matter it was determined that a better representation of these two major call categories probably should be determined by the type of call instead of the response time. Generally, there is a relatively small percentage of call types that normally have a significant percentage of zero response times, therefore we designated those major type calls as officer-generated.

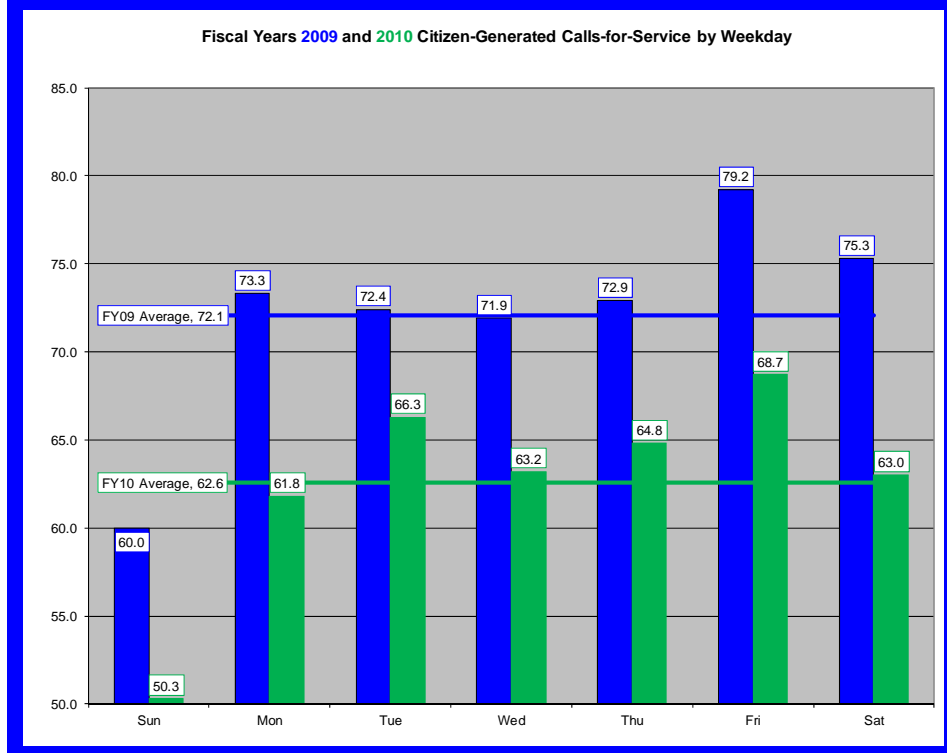

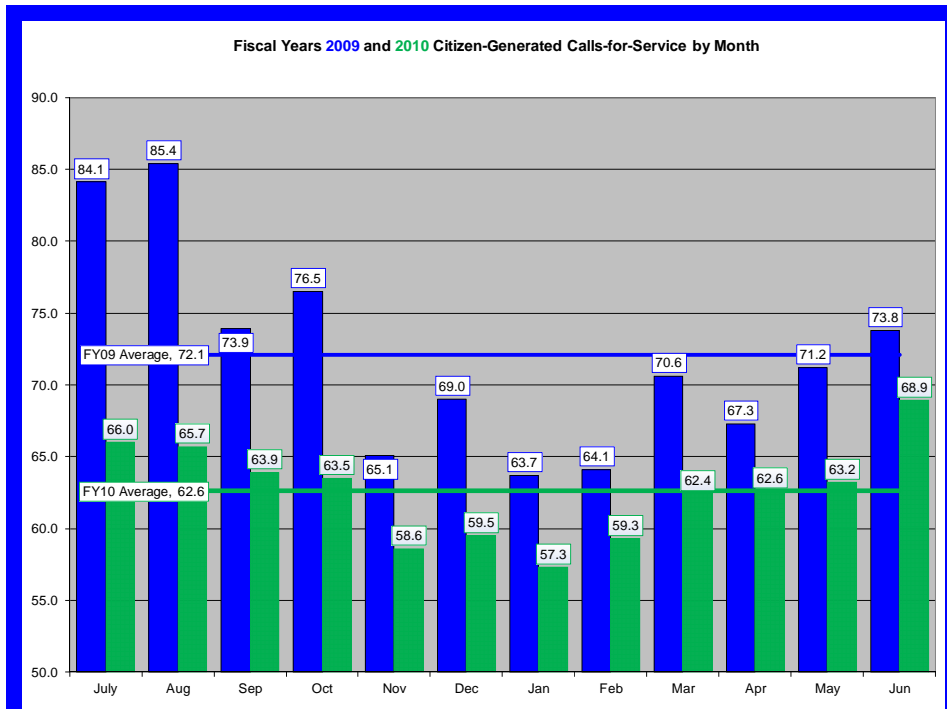

The next chart will depict the relative daily change in the number of citizen and officer-generated calls-for-service since FY04.

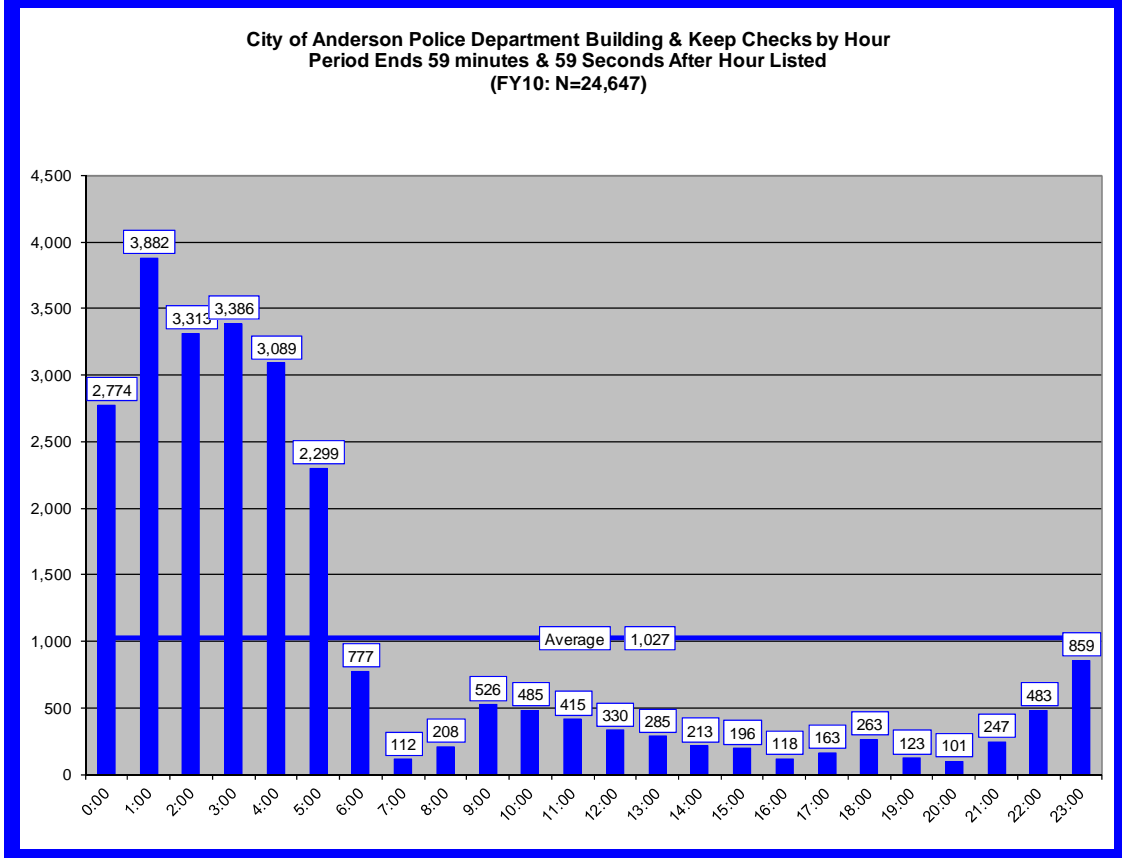

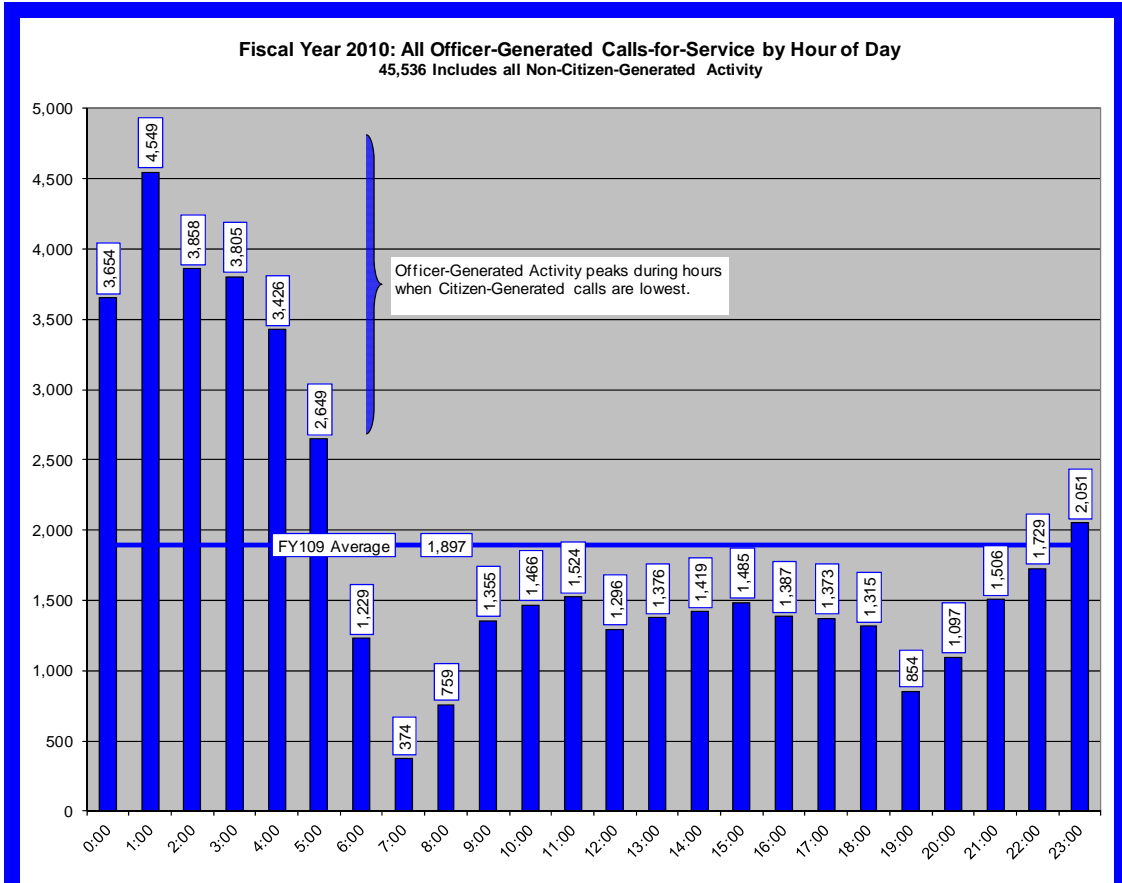

The next two charts indicate the daily averages by month and weekday. The “busiest” month of FY10 for citizen-generated calls was June 2010 with an average number of 68.9 calls-for-service per day. The “busiest” month of FY09 for citizen-generated calls was August 2008 with an average number of 85.4 calls-for-service per day. In FY08, the busiest month was July 2007, which came in at 77.1 calls-for-service per day. In FY10, the “slow” month was January 2010 with an average of 57.3 citizen-generated calls-for-service per day.

The chart that depicts the weekday averages shows that Mondays – Thursdays were relatively sane with respect to citizen-generated call-volume. Fridays were noticeably above normal and Sundays were well below. But other than those variations, the weekday columns are relatively near each other in height.

As illustrated by the following two charts, during FY10 the fewest number of citizen-generated calls were answered during the early morning hours with 4:00 – 4:59 being the slowest individual hour of the 24-hour day (the same as FY09). In FY08, the slowest was 5:00 – 5:59 a.m. In FY10 the busiest one-hour period was from 16:00 – 16:59. In FY09 it was from 15:00 – 15:59 and in FY08 it was 14:00 – 14:59. The busiest period for all officer-generated activity was 01:00 – 01:59 (the same as FY09).

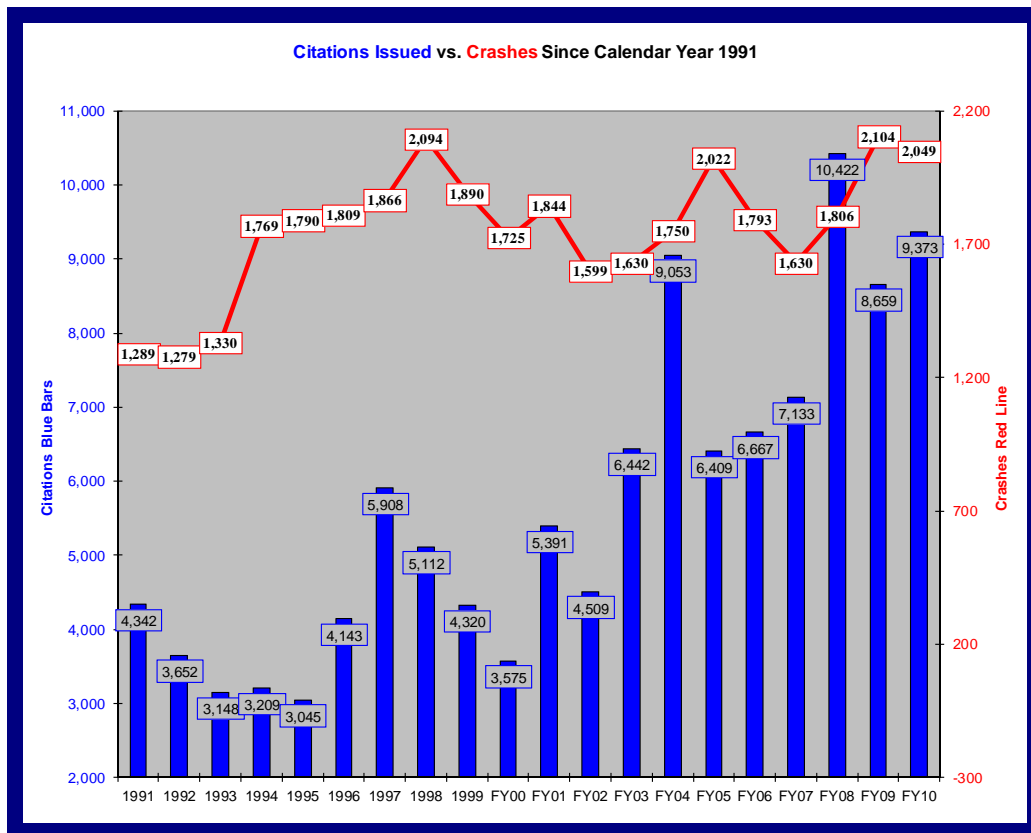

Traffic Management and Safety Initiatives

Traffic Officers in the City of Anderson Police Department are currently trained in several aspects of accident investigation and have in previous years traditionally spent more time working accidents than proactive traffic management. In the second half of the last decade, the range of traffic tickets was up from prior years' numbers but the relatively mild increase seemed to have no measurable impact upon the crash rate. Research has indicated that, over time, the issuance of traffic citations in a jurisdiction is correlated negatively with traffic accidents. However, a "critical mass" must be reached. (i.e. a minimum number of citations must be issued before any affect on accidents will be noticeable.)

In 2000, department officials established the long-range goal of making Anderson City one of the top ten safest cities in South Carolina within five years. At that time it was decided to use South Carolina Law Enforcement (S.L.E.D.) data for crime comparison and evaluation purposes and compare Anderson with other cities of similar size. To reach the goal of becoming among the state's top ten safest cities, it was determined that we should continue to **concentrate on decreasing the violent crime rate and simultaneously work proactively to reduce the city's traffic crash rate.**

During FY10, 9,373²³ traffic citations were issued, up 8.2% from 8,659²⁴ in FY09 and 651 parking tickets, up 74.5% from 373 in FY09.^{25,26} Traffic Crashes decreased 2.6% from 2,104 to 2,049 in FY10.

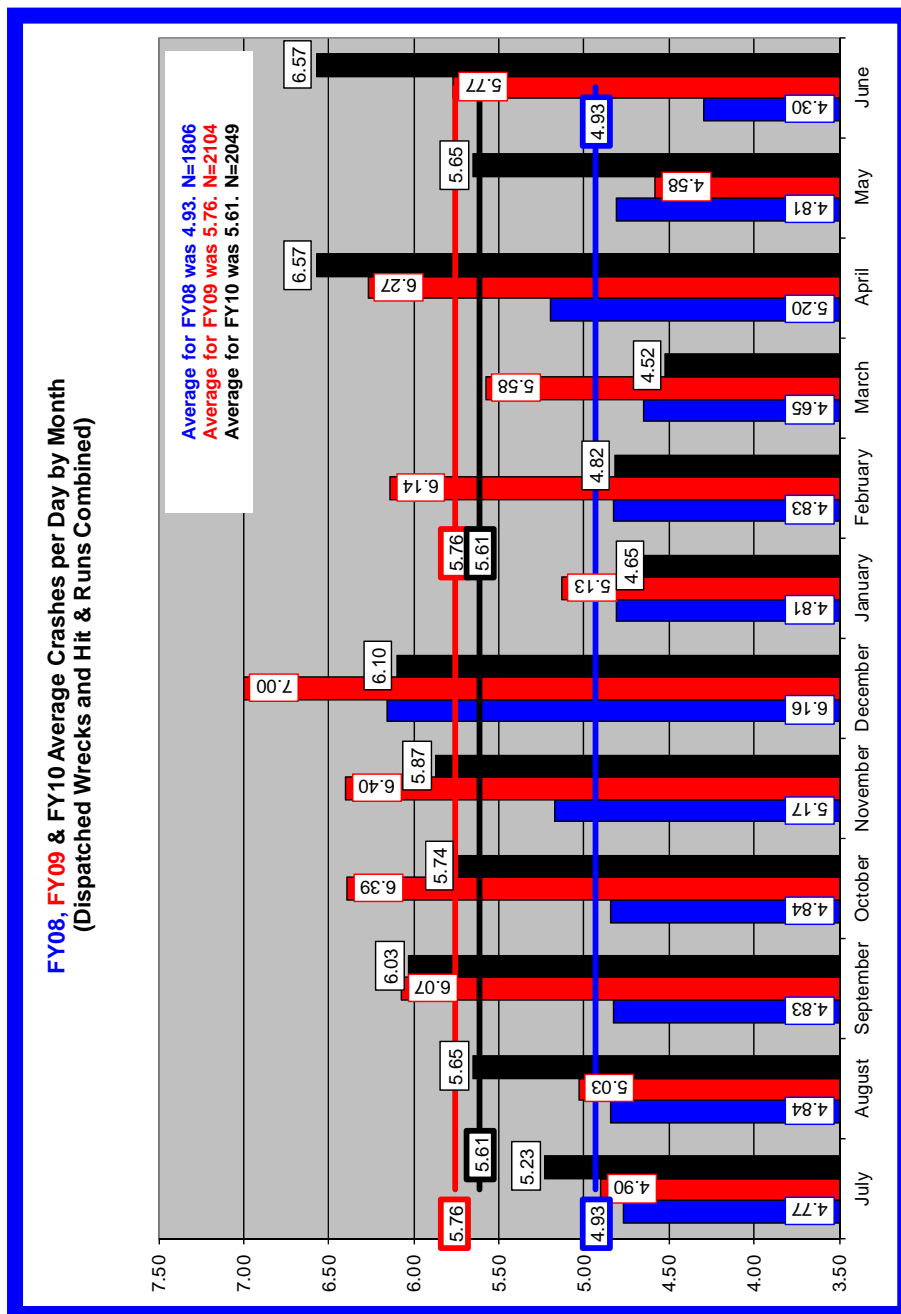

²³ 9,372 were written by APD personnel and 1 by City Hall personnel.

²⁴ 8,636 were written by APD personnel, 10 by City Hall personnel and 12 by Reserve Officers. 1 was n/a.

²⁵ Data includes all charges filed in city court. Please see Appendix.

²⁶ During FY09, the Parking Officer was transferred from the Police Department to City Hall.

The department attempts to facilitate its traffic management programs by analyzing and evaluating wrecks in an effort to determine when and where accidents occur and how to best allocate resources. To determine when accidents occur, an analysis was performed to determine the variation in the number of traffic crashes across months, weekdays, hours of the day, and hours of the week. This study is provided as an example of how various types of analyses are used to assist management in the day-to-day allocation of human resources in a practical effort to maintain the traffic-crash-count as low as possible.

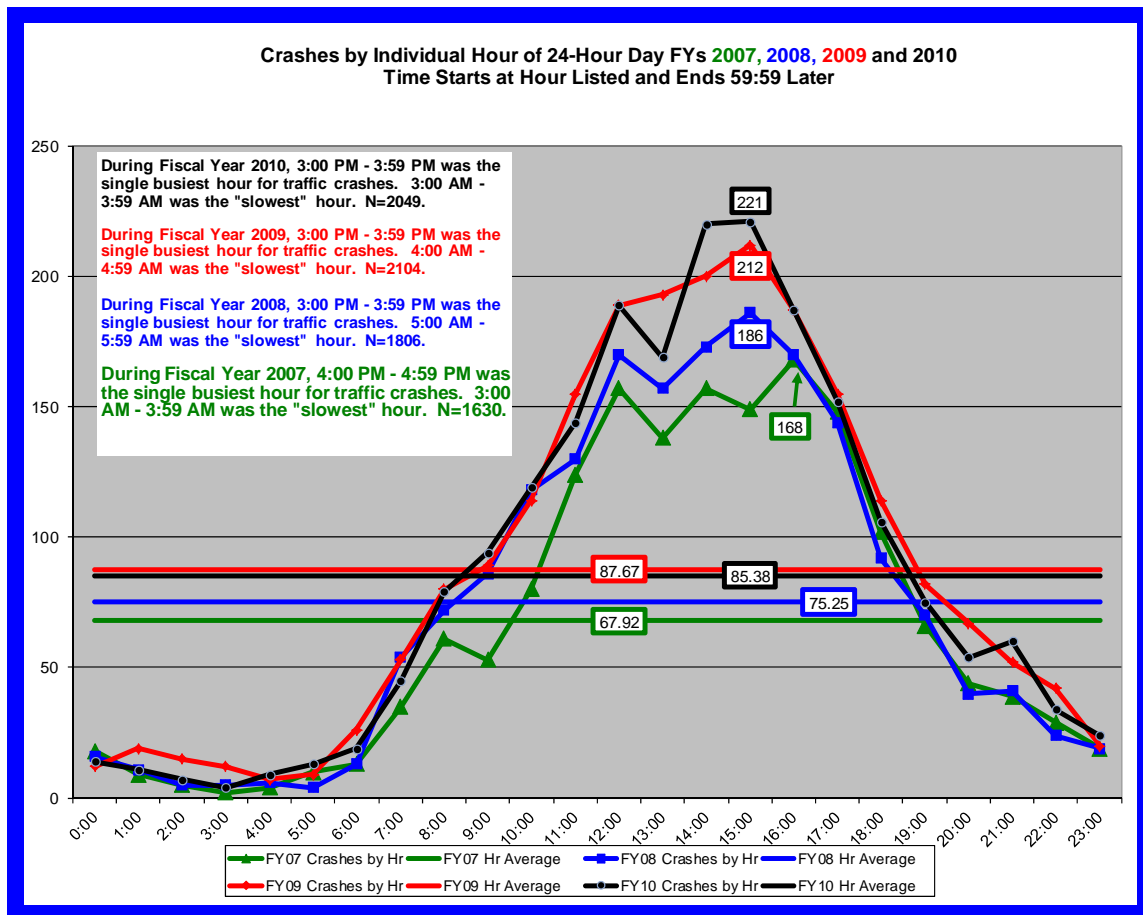

In addition to analyzing crash data by month, the department also analyzes weekdays. As a general rule, in past studies, Fridays have shown the highest frequency of accidents. The following chart indicates the daily averages for dispatched calls-for-service regarding traffic accidents in the City of Anderson for FYs 07-10.

**FY07, FY08, FY09 & FY10 Average Crashes by Weekday
(Dispatched Wrecks and Hit & Runs Combined)**

The average number of wreck calls during each hour of the 24-hour day in FY10 was 85.38 down 2.6% from 87.67 in FY09. As in past years, the crash-count varied wildly throughout the 24-hour period. The following chart indicates the frequency for traffic accidents in Anderson by time of day for fiscal years 2007 - 2010.

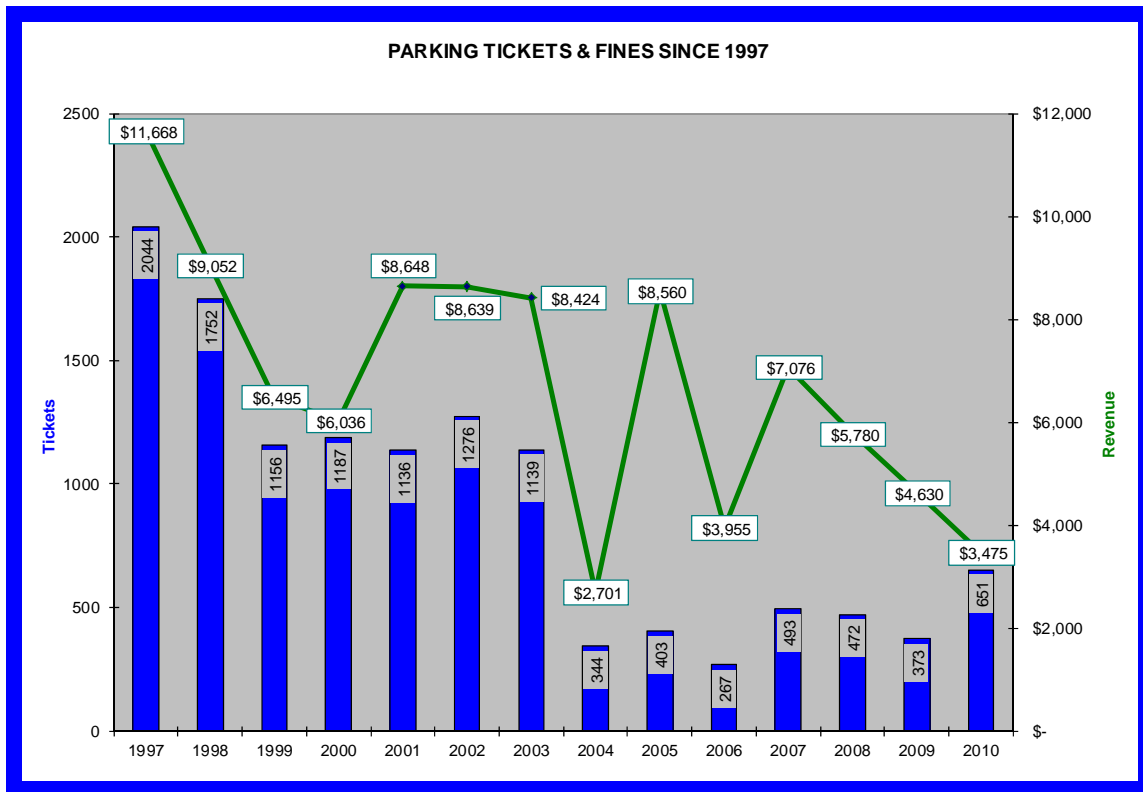

As the previous chart indicates, 16:00 – 16:59 was the busiest period for FY07. The period from 15:00 p.m. to 15:59 p.m. showed the highest number of accidents for FY08, FY09 and FY10. The early morning hours of 03:00 to 3:59 was the “slowest” time for accidents in FY07. The slowest time was 05:00 – 05:59 in FY08, 04:00 – 04:59 in FY09 and 03:00 – 03:59 in FY10. At about 07:00, the frequency of accidents increases dramatically and is consistent with the typical schedule of city residents. Most of these early morning accidents involve motorists commuting to and from work or school.

The City of Anderson Police Department has an officer assigned full time to the downtown area to manage downtown parking. During FY09, this position was moved from the police department Administrative Unit to City Hall (security unit). Parking Citations increased in FY10 to 651 from 373 in FY09, up 74.5%.²⁷

The following chart plots the number of parking citations that have been issued by the police department since 1997 and lists the amount of revenue collected during the same periods.

²⁷ City of Anderson Docket (“JEMS” Database)

Reserve Officer and State Constable Program

The City of Anderson Police Department maintains an active Reserve Police Force that consists of private citizens who volunteer their time to serve as police officers for the City of Anderson. The Reserve Police Force is under the direct chain-of-command of the Patrol Unit and exists primarily to assist full-time officers in accomplishing the police department’s overall mission of serving the public, protecting innocent people, and enforcing local and state laws, as applicable. When officially on-duty, a Reserve Police Officer has full law enforcement authority when in contact – either directly or by electronic means – with a full time, on-duty officer. In addition to reserve police officers, the police department allows state constables to participate in patrol with full time officers.

Typically, reserve officers are assigned to special events such as parades, The Midnight Flight and other events where utilization of additional uniformed personnel is needed. Reserve officers are routinely assigned to regular patrol to “partner” with full-time officers, thereby enhancing the safety and effectiveness of the department by instantly converting a “one-person” unit into a “two-person” unit. In most cases this decreases the need to call a second car for backup, reduces response times and conserves resources.

The City of Anderson Police Department is effectively involved with revitalizing the downtown historical district. Oftentimes, event sponsors and civic leaders request police visibility when events are being planned which are intended to attract a large number of out-of-town patrons. The police are asked to “patrol” for visibility and to render assistance (provide directions and information about community interests) as needed. The usual events that are held downtown on the weekends are generally family related and therefore require little or no actual police action so, in addition to their assistance in special events and routine

patrol, reserve officers are often assigned to “Downtown Patrol” on Friday and Saturday evenings. Most of the members of the Reserve Police Force are full-time, professionally employed family people; therefore this particular assignment is quite popular.

During Fiscal Year 2010, the City of Anderson Police Department Reserve Force’s total “man-hours” were 4,413.15, down 6.1% from 4,683 in FY09.²⁸ The amount of work performed by Reserve Officers in FY10 was equivalent to employing 2.02 full time officers at a projected cost of \$81,198.²⁹ Those services were provided at no cost to the city.

The Reserve Police Force is an invaluable recruiting tool for the City of Anderson Police Department because it provides management with an opportunity to observe potential candidates for full-time employment prior to selection. Although service in the Reserves is not a prerequisite to full-time employment, some of the city’s best officers began their law enforcement career in the reserves. Furthermore, many people who are interested in law enforcement as a career, but are concerned about making an up-front decision to go full-time, will try the Reserve Police Force prior to applying for a full-time position.

The same criterion is used for selection in the Reserve Police Force as is used in the selection process for officers for the full-time police force. Some of the essential requirements are that applicants are required to (1) be at least 21 years of age, (2) be physically fit, (3) have a clear criminal history, (4) provide Motor Vehicle Department records indicating a good driving history, and (5) have a high school diploma or its equivalent. In addition, it is essential that applicants be in good standing with the community. The City of Anderson Police Department actively recruits for the Reserve Police Force and encourages all interested persons who meet the previously listed criterion to contact the Captain of Support Services to schedule an appointment to discuss the additional requirements and benefits of participation in the city’s Reserve Police Force.

²⁸ Figures include constables.

²⁹ City of Anderson Police Officers’ basic schedule was 42 hours per week. $4,413/2,184 = 2.02$. The final value is the actual value and includes a deduction for the small documented auxiliary expense for the year.

III.

Conclusion

The City of Anderson Police Department had an exceptionally good year in FY10. As in previous years, and consistent with the City of Anderson Police Department's Mission Statement, the public safety was emphasized and service was provided in a professional and cost-efficient manner. In addition, for the first time in history, the police department contributed over \$3,000,000 toward offsetting the City of Anderson's tax base.

In FY10, paid-service-activity increased substantially, mainly due to the department's aggressive nighttime community-security program wherein officers checked potential crime-target locations approximately 24,647 times. Though major violent crime showed an increase over FY09, it was still well under the 20-year average from 1991 – 2010 and programs and resources were procured and put into place which are anticipated to suppress the rate during the upcoming fiscal year.

FY10 department total net revenue was the best year ever. Department generated net revenue was at its second highest point in history and grant revenue was its highest in history. The in-kind contribution exceeded two-million-dollars for the third year and set a new record, net revenue exceeded three-million-dollars for the first time ever and the total value of combined hard cash & in-kind contributions to the community in the form of goods and services exceeded five-million-dollars for the first time ever and set a new record.

Police Department management is continuing to develop plans for decreasing the violent crime rate and is preparing to meet the challenges provided by the next generation of criminals. The City of Anderson Police Department plans to continue improving its current programs as well as explore new and innovative approaches to law enforcement. The department expects Fiscal Year 2011 to build upon the progress that was achieved in Fiscal Year 2010.

IV. Goals for Fiscal Year 2011

1. Decrease the incidents of major violent crimes and/or the violent crime rate.
2. Decrease the incidents of major property crimes and/or the property crime rate.
3. Continue aggressive traffic management targeting high-crash areas in order to affect a decrease in traffic accidents.
4. Implement Year 3 of the Violence Against Women Investigative Initiative.
5. Continue to develop partnerships and work with the community to reduce crime.
6. Implement Year 3 of the DUI Traffic Grant Initiative.
7. Seek grant funding to increase Cyber Forensics investigative capability.
8. Implement U.S.D.O.J. Federal Grant Awards in order to continue the department's existing successful Street Level Criminal Apprehension Program.
9. Continue existing partnership with local schools to continue the School Resource Officer Program at the Alternative School, McCants Middle School and Southwood Middle School.
10. Increase the amount of secondary (extra-duty) police work by police officers.
11. Increase the number of active reserves.
12. Continue to recruit and hire qualified women and minorities.
13. Increase the number of General Orders in compliance with state accreditation and continue to advance toward achieving state accreditation.
